

DEPARTMENT OF JUSTICE AND CONSTITUTIONAL DEVELOPMENT

NOTICE 931 OF 2022

**MAGISTRATES' COURTS ACT, 1944 (ACT NO. 32 OF 1944): CREATION OF
MAGISTERIAL DISTRICTS AND THE ESTABLISHMENT OF DISTRICT COURTS IN
RESPECT OF THE EASTERN CAPE PROVINCE**

1. I, Ronald Ozzy Lamola, Minister of Justice and Correctional Services, in terms of section 2(1)(a),(f),(h),(j),(k) and (l) of the Magistrates' Courts Act, 1944 (Act No. 32 of 1944) (the Act), read with item 16(6) of Schedule 6 to the Constitution of the Republic of South Africa, 1996, hereby, in respect of the Eastern Cape Province, and with effect from 1 April 2022—
 - (a) withdraw all previous Government Notices creating and establishing magisterial districts, sub-districts, places for the holding of courts and periodical courts and describing local limits relating to such courts in the Eastern Cape Province, published before the date on which this Notice takes effect;
 - (b) create, in respect of the municipal areas mentioned under column "A" of Schedule 1, magisterial districts to be known by the names referred to under column "B" of Schedule 1 and establish courts named under column "C" of Schedule 1 for the said districts for the purposes of:
 - (i) the trial of persons accused of committing any offences in respect of which it has jurisdiction as contemplated in sections 89 and 92 of the Act or any other law; and
 - (ii) adjudication of civil disputes in respect of which it has jurisdiction as contemplated in section 29(1) of the Act or any other law.
 - (c) specify, in respect of each magisterial district named under Column "B" of the attached Schedule 1, seats of the magistracy, as reflected under Column "D" of the said Schedule;

- (d) detach portions of the magisterial districts mentioned under Column "B" of the attached Schedule 1, to create sub-districts to be known by the names referred to under Column "E" and establish detached courts mentioned under "F" of the attached Schedule 1 for the said sub-districts;
 - (e) appoint within the districts named under Column "B" of the attached Schedule 1 and sub-districts named under Column "E" of the attached Schedule 1, places for holding of a court, as reflected under Column "G" of the said Schedule; and
 - (e) define, in respect of each magisterial district and sub-district named under columns "B" and "E" of the attached Schedule 1, respectively, local limits as described in the accompanying point-to-point descriptions, as reflected in the attached Schedule 2.
2. Any criminal or civil proceedings, which on the date on which this Notice takes effect, have already been placed on the court roll for trial or hearing, in a court whose area of jurisdiction has been altered by this Notice, and which have not been finalised, shall be dealt with and be finalised by the court where the matter is enrolled, as if this Notice has not been published.
 3. Maps depicting the magisterial districts and sub-districts, as described under the attached Schedule 2, may be accessed online on the website of the Department of Justice and Constitutional Development at the following address:
<http://www.justice.gov.za/maps/maps.html>.

Given under my hand at.....PRETORIA.....on this the 14 day of
03.....Two Thousand and Twenty-Two.

RO Lamola, MP
Minister of Justice and Correctional Services

SCHEDULE 2

EASTERN CAPE PROVINCE: MAGISTERIAL DISTRICTS AND SUB-DISTRICTS AREAS OF JURISDICTION DESCRIBED BT POINT-TO-POINT DESCRIPTION

MAGISTERIAL DISTRICT CREATED	SEAT OF THE MAGISTRACY AND SUB-DISTRICTS CREATED	LOCAL LIMITS DEFINED BY POINT-TO-POINT DESCRIPTION
Alfred Nzo	KwaBhaca main seat of Alfred Nzo magisterial district	<p>Starting from the point of intersection of the AMAHLUBI-FLET and MAKAULA-KWAB Traditional Authority areas, proceed generally north-eastwards along the SAPS / AMAHLUBI-FLET Boundary to the southern western corner beacon of FARM No.10. Continue eastwards along its southern boundary to intersect the western boundary of FARM No. 23. Proceed respectively along its western and southern boundaries to intersect the western boundary of FARM No.11. Continue respectively along its western, southern and eastern boundaries to its north-eastern corner beacon. Proceed respectively along the southern boundaries of FARM No.224, eastern corner beacon. Proceed respectively along the southern boundary of farm ROCKLANDS No.340, the western and southern boundaries of farm PUFFADDERS HOEK No.274 to its south-eastern corner beacon. Proceed respectively along the southern boundaries of farms PAKKIES No.276 and OSPOORT No.278 to its south-eastern corner beacon. Continue respectively along the northern boundaries of FARM No.39, FARM No.27, FARM No.28, FARM No.20, and FARM No.26 to its north-eastern corner beacon. Proceed respectively along the southern boundary of Farm JUNCTION No.296, the western and southern boundaries of FARM No.17260, the southern boundary of farm FARBEN No.8322, again the southern boundary of FARM No.17260, the southern boundary of farm LOT GH No.8133, the southern boundary of farm LOVEDALE No.8037 and the southern boundary of Farm ALFRED NATIVE LOCATION NO 1 No.4666 to the point where it intersects the KwaBhaca (Mount Frere) / Winnie Madikizela-Mandel SAPS Boundary. Continue generally southwards along the SAPS Boundary, respectively traversing the TSIKELO-BIZA and AMANTSHANGASE-BIZA Traditional Authority Areas, while respectively traversing FARM No.1 and FARM No.60, eventually intersecting the northern boundary of FARM No.61. Then proceed respectively along the northern, eastern and southern boundaries of FARM No.61, to its south-western corner beacon. Continue respectively along the northern and western boundaries of FARM No.63, the northern boundaries of FARM 48, FARM No.53 and FARM No.31, to its north-western corner beacon. Then proceed generally westwards along the SAPS Boundary to the southern eastern corner beacon of FARM No.22. Proceed respectively along its southern boundary and that of FARM No.23 to its south-western corner beacon. Continue generally westwards along the SAPS Boundary, traversing FARM No.52, to its south-western corner beacon. Then proceed generally northwards along the SAPS Boundary, traversing FARM No.33, to intersect the N2 National Road at its northern boundary. Proceed with the N2, respectively along the northern boundaries of FARM No.33 and FARM No.34, to the north-eastern corner beacon of FARM No.56. Proceed respectively along its eastern and southern boundaries to the north-eastern corner beacon of FARM No.57. Continue respectively along its eastern boundary and that of FARM No.55 and Farm No.61 to its south-eastern corner beacon. Proceed</p>

	<p>generally south-eastwards along the SAPS Boundary to the south-eastern corner beacon of FARM No.62. Proceed respectively along the southern boundaries of FARM No.62 and FARM No.63, to its south-western corner beacon. Continue along its western boundary and that of FARM No.59 and FARM No.58, to its north-western corner beacon. Continue generally north-westwards, extensively along the TINA River until it intersects with the SAPS Boundary. Proceed generally due north along the SAPS Boundary until the point of intersection of the AMAHLUBI-FLE and BAKOENA-FLE Traditional Authority areas, which is the STARTING point.</p>
<p>Matatiele sub-district of Alfred Nzo magisterial district</p>	<p>STARTING from the north-western beacon of farm MARSHALLCLARKE No.100 (at the LESOTHO / RSA international boundary), proceed respectively along its northern boundary and the western boundaries of Farm WINTERBERG No.93 and GEORGE MOSHESH No.13 to its north-western beacon. Continue along its northern boundary and that of farms THREE SISTERS No.26, NEULANDS No.27, MCALPINE No.28, FARM No.29, farms MAKOMERENG No.30, DEER PARK No.32, NQATSHA No.33, THE EYRIE No.34, UPLANDS No.35 and WOODLANDS No.36 to the south-western beacon of farm TRIANGLE No.38. Proceed respectively along its western and northern boundaries and the northern boundary of farm NOOITVERWACHT No.39 to its north-eastern beacon. Proceed respectively along the western and northern boundaries of farm MANGALORE No.41 and the northern boundaries of FARM No.42 and FARM No.19 to its north-eastern beacon. Continue respectively along its eastern boundary and that of FARM Nos.132, 137, 139 and 18090 to its south-eastern beacon. Proceed respectively along the northern and eastern boundaries of FARM No.17193 to its south-eastern beacon. Then proceed along the northern boundary of FARM No.17194 to the south-western beacon of FARM No.111. Proceed respectively along its western, northern and eastern boundaries to its south-eastern beacon. Continue respectively along the northern boundaries of FARM Nos.17194, 136, 135 and 17020 to its north-eastern beacon. Proceed respectively along its eastern boundary and that of FARM Nos.328 and 148(eastern section) to its south-eastern beacon. Proceed respectively along the southern boundaries of FARM 148 (eastern section), FARM No.328 and FARM No.148 (western section) to the north-eastern beacon of FARM No.175. Proceed respectively along its eastern and southern boundaries, the southern boundaries of FARM Nos.17036 and 17037, to its south-western beacon. Proceed respectively along the southern boundaries of FARM No.176 (eastern section), FARM No.332, FARM No.176 (western section) and FARM No.179 to its south-western beacon. Continue respectively along the eastern boundary of FARM No.180 and respectively along the northern, eastern and southern boundaries of FARM No.190 to the north-eastern beacon of FARM 189. Proceed respectively along its eastern boundary and that of FARM No.222 and FARM No.228 to its south-eastern beacon. Continue respectively along its southern boundary, the eastern boundary of FARM No.227, the northern boundary of FARM No.226 and the eastern and southern boundaries of FARM</p>

<p>No.18089 to its south-western beacon. Proceed respectively along the eastern boundaries of FARM No.239 and FARM No.240 to its south-eastern beacon. Then proceed along its southern boundary and respectively that of FARM Nos.22, 21 and 224 to its south-western beacon. Continue respectively along the eastern, southern and western boundaries of farm LUDIDI No. 11 to its north-western beacon. Proceed respectively along the southern and western boundaries of farm MOROSI No.23, the southern boundary of farm MATANDELA No.10 to the north-eastern beacon of FARM No.75. Proceed along its eastern boundary to its outer-eastern beacon. Then proceed due south along the SAPS boundary, traversing FARM No.269 to intersect its southern boundary. Continue respectively along its southern boundary and that of FARM No.75 and then generally north-westwards along the AMAHLUBI Traditional Authority boundary (respectively traversing FARM No.73 and FARM No.72 and the TINA RIVER) to the north-western beacon of FARM No.72. Continue generally north-westwards along the BAKOENA and LUPINDO Traditional Authority boundaries (initially on the R56) respectively traversing FARM No.76, FARM No.160, FARM No.77, FARM No.31, FARM No.8 and FARM No.7 to the south-eastern beacon of farm QHOBOSHEANENG No.49. Proceed respectively along its southern and western boundaries to a point on its western boundary that is approximately 1.33km from the outer-north-eastern beacon of farm SEQOBONG No.54. Then proceed along the SAPS boundary (traversing Farm SEQOBONG No.54 along the BAKOENA Traditional Authority boundary), first in a south-westerly direction, then deviate due south along the BAKOENA TA boundary for approximately 1.7 Km to intersect the northern boundary of FARM No.81 at a point approximately 2.9 Km east of its north-western beacon. Proceed generally northwards (traversing farm SEQOBONG No.54 along the BAKOENA Traditional Authority boundary) to intersect its inn-eastern boundary. Proceed generally north-westwards along the eastern boundary for approximately 2.55Km and then due west (traversing farm SEQOBONG No.54 along the BAKOENA Traditional Authority boundary) to the south-eastern beacon of Farm THABA CHICHA No.52. Proceed respectively along its southern and western boundaries to its north-western beacon. Proceed respectively along the southern and western boundaries of farm ONGELUKS NEK No., the southern and western boundaries of farm CHARLESMILLS A No.104 and the northern boundary of farm DRIEHOEK no.101 to the north-western beacon of farm MARSHALLCLARKE No.100, which is the <i>STARTING</i> point.</p>		
<p>STARTING at the point of convergence of the northern boundary of farm NTSHANGASE No.63 and the AMANTSHANGASE Traditional Authority boundary, proceed respectively east along the northern boundary of farm NTSHANGASE No.63, then north-eastwards along the western boundary of farm ENKANTOLO No.59 and then the southern boundary of farm IZILANGWE No.60, to its point of convergence with the northern section of the AMANTSHANGASE Traditional Authority boundary. Proceed generally northwards along the TA boundary, respectively traversing farm IZILANGWE No.60 and FARM</p>	<p>Winnie Madikizela Mandela sub-district of Alfred Nzo magisterial district</p>	

		<p>No.171, to its north-eastern beacon. Continue east, respectively and generally along the northern boundaries of farm IZILANGWE No.60 and FARM No.169, the eastern boundary of FARM No.175, the northern boundaries of FARM No.44, farm ABATSHWAWU No.47, FARM No.56 and FARM No.143, the northern and eastern boundaries of FARM No.150, the eastern boundary of FARM No.268 and the northern boundary FARM No.39, respectively to the MTAMVUNA RIVER MOUTH and the INDIAN OCEAN LOW WATER MARK (LWM). Continue south-westwards along the LWM, respectively traversing FARM No.39, farm MBIZANA COAST FOREST RESERVE No.65, a river mouth, FARM No.39, the MNYAMIENI RIVER MOUTH, FARM No.39, a river mouth, FARM No.39 and to the MTENTU RIVER MOUTH. Proceed generally north-westwards respectively along the southern boundaries of FARM No.39 (and the MTENTU RIVER), FARM No.241 and the southern and western boundaries of FARM No.246, to the south-eastern beacon of QASA No.45. Continue generally northwards along the NTLenzi Traditional Authority boundary, respectively traversing the western boundaries of farm QASA No.45, FARM No.246, farm QASA No.45 (again), FARM No.52, farm QASA No.45 (again), FARM No.207, farm QASA No.45 (again), FARM No.48, FARM No.184, FARM No.212, FARM No.184 (again), farm NTSHANGASE No.63, (on the AMANTSHANGASE Traditional Authority boundary), finally proceeding to the point of convergence of the TA with the northern boundary of farm NTSHANGASE No.63, which is the STARTING point.</p>
	<p>Ntabankulu sub-district of Alfred Nzo magisterial district</p>	<p>Starting from the north-eastern corner beacon of FARM No.34 at the N2, proceed generally eastwards with the N2 respectively along the northern boundaries of FARM 34 and FARM 33 until intersection with the SAPS Boundary. Then proceed generally due south along the SAPS Boundary, traversing FARM No.33 to the south-western corner beacon of FARM No.52. Continue generally eastwards along the SAPS Boundary, traversing FARM No.52, to the south-western corner beacon of FARM No.23. Proceed respectively along its southern boundary and the northern boundaries of FARM No.37 and FARM No.38 to its northern corner beacon. Then proceed generally eastwards along the SAPS Boundary for 1450 metres and deviate generally south-eastwards along the SAPS Boundary, traversing FARM No.38, to the south-western corner beacon of FARM No.53. Proceed respectively along its southern boundary and the northern boundary of FARM No.29, to the north-western corner beacon of FARM No.60. Then proceed generally south-eastwards along the SAPS Boundary, traversing FARM No.29, to the north-eastern corner beacon of FARM No.39. Proceed along its eastern boundary to join the SAPS Boundary, traversing FARM No.39 to the north-eastern corner beacon of FARM No.35. Proceed respectively along its eastern boundary and the eastern and southern boundaries of FARM No.36 to its south-western corner beacon. Continue respectively along the southern boundaries of FARM No.42, FARM No.43 and FARM No.45 and then along the western boundary of FARM No.124 to the north-eastern corner beacon of FARM No.47. Proceed respectively along the eastern and southern boundaries of FARM No.47, the southern and western boundaries of FARM No.48 and the western boundaries of FARM No.45 and FARM No.50 to its</p>

Amathole District	Mnquma main seat of Amathole magisterial district	<p>north-western corner beacon. Then proceed respectively along the western boundaries of FARM No.56 (southern section), FARM No.31, FARM No.56 (northern section) and FARM No.34 to its north-western corner beacon at the N2, which is <i>STARTING</i> point.</p> <p>STARTING from the convergence point of the R409, the AMABHELE Traditional Authority boundary and the TSOMO River, proceed generally eastwards along the AMABHELE TA boundary until the MJULA Sub-place, then generally south-eastwards to intersect the AMAHLUBI TA boundary. Proceed north-eastwards along the AMAHLUBI TA boundary until the convergence point of the HALA, AMAHLUBI and GCUWA Traditional Authority areas. Continue generally eastwards along the AMAHLUBI TA boundary, to join the MAIN ROAD R408 at MNGUMA, then proceed generally south-eastwards along the R408 and the TA BOUNDARY, deviating southwards along the AMAHLUBI Traditional Authority boundary on departure from the R408. Continue southwards along the TA boundary to join the N2 at the EMGCWE Sub-place. Proceed generally southwards along the N2 and TA boundary, then due east and then north-eastwards to intersect the railway line and north-eastwards along the MAGALAKANQA Secondary Road to the north-western beacon of FARM No.2. Proceed respectively along its northern boundary, the northern, eastern and southern boundaries of Farm No.78, the eastern boundary of FARM No.3, the northern boundary of FARM No.271, the northern and eastern boundaries of FARM No.286, the northern boundaries of farms QORA No.140, KABAKAZI No.139, NGQWARA JS SCHOOL No.134 and GCINA SJ SCHOOL No.130 to its north-eastern beacon. Proceed generally eastwards along the middle of the QORA RIVER to the Low Water Mark (LWM). Continue generally south-westwards along the LWM, east of (respectively) farms GCINA SJ SCHOOL No.130, ZALU JS School No.135, CEBE JS SCHOOL No.136, farms NXAXO No.137, KOBONQABA A No.138, KOBONQABA MOUTH No.150, NGCIZELE No.172 and QOLORA E No.151, FARM No.127, farm QOLORA E No.151 and FARM No.96, to intersect the middle of the GROOT-KEI RIVER. Then proceed generally north-westwards along the middle of the river until it joins the southern boundary of FARM No.110. Continue along the GROOT-KEI River, and respectively along the southern boundaries of FARM No.110, farm QOLORA E No.185, farms QOLORA D No.153 and GXARA No.171, FARM No.149 and FARMJ No.168, and the eastern boundaries of farm GLEN KEI No.16 and FARM No.15. Continue along the GROOT-KEI RIVER to its confluence with the GCUWA RIVER at the eastern boundary of FARM No.15. Then proceed along the GCUWA RIVER and the FINGO Traditional Authority boundary, respectively along the southern and western boundaries of FARM No.211, then depart from the river to continue generally westwards along the AMABHELE Traditional Authority boundary, then north-westwards at the intersection with the AMAZIZI TA boundary. Proceed north-westwards along the AMABHELE TA boundary and westwards to join the AMAHLUBI TA boundary and then proceed respectively along the northern boundaries of FARM No.6 and farm STRATMORE No.190, the eastern</p>
-------------------	---	--

	<p>boundary of farm COWMEADE No.189, the eastern, northern and western boundaries of farm BULL'S RUN No.188, the northern boundaries of farms APE FIELD No.187 and GAMELANDS No.186, the eastern, northern, western and southern boundaries of farm INVER SOMO No.185 and the northern boundary of farm KEI GATE No.184 to its north-western beacon. Continue respectively along the northern boundary of farm QUARRIES No.183, the eastern boundaries of farms LARNACA No.173, MOCKING HILL No.40 and FARM No.39, the southern and eastern boundaries of FARM No.38, departing approximately midway through its eastern boundary, to join the AMAZIZI Traditional Authority boundary and proceed generally northwards (extensively) along the TA boundary and the TSOMO RIVER, until the TA boundary joins the AMABHELE Traditional Authority boundary at the Secondary Road crossing. Continue generally northwards along the TA boundary and the TSOMO RIVER until the convergence of the R409, the AMABHELE Traditional Authority boundary and the TSOMO RIVER, which is the STARTING point.</p>
<p>Amahlathi sub-district of Amathole magisterial district</p>	<p>STARTING from the north-west beacon of farm DIEP RIVIER No.96, proceed along its northern boundary and respectively that of farm DEEP RIVER No.343 and WOODBURN No.95, the western and northern boundaries of farm CLAREMONT B No.44 and the western boundary of farm WATERDOWN No.43 to its intersection with the KLIPPLAAT RIVER. Continue generally eastwards along the river, traversing farm WATERDOWN No.43, to the intersection with its eastern boundary and proceed respectively along its eastern boundary, the northern boundary of farm PARADOXUS NOVO No.51, the southern, western and northern boundaries of farm BRANKSOME No.41 and the western boundaries of farms MELROSE No.24 and HILTON No.23 to its intersection with the Secondary Road. Proceed along the road to the to the north-eastern of farm GUILDFORD No.399, then along the southern boundary of farm FLAGSTAFF VALE No.397 to its south-eastern beacon. Then proceed along the SAPS boundary, traversing farm TABLE FARM No.22 to its inner-south-western beacon. Continue respectively along the northern boundary of farm HILTON No.23, the northern and eastern boundaries of farms SCHAFFHAUSEN No.28 and SPRINGFIELD No.29, the northern boundary of farm GLENFILLAN No.359, the western and northern boundaries of farm UPLANDS No.347, the northern boundaries of farms RIVERSIDE No.260, SCRAPFIELD No.290 and ISADALE No.288, the northern and eastern boundaries of farm LONGSLOPE No.286, the northern boundary of farm STONERIDGE No.285 and the northern and eastern boundaries of farm REDCONE No.279 to its south-eastern beacon. Proceed respectively along the northern boundaries of farms KINAHAN No.306 and THE DOWNS No.305, the western and northern boundaries of farm DRYHURST No.304, then along the stream traversing farm RUNNYMEDE No.303 generally northwards to intersect the southern boundary of farm NORTH CLIFF No.275. Continue from there along the northern boundaries of farms RUNNYMEDE No.303 and HIGH CAMP No.27, then respectively along the western boundaries of farms BLOODFELL No.28, BUSKY DELL No.26, HILL PATH No.15, RUNRIG</p>

No.14 and HIGHTOR No.13 and the southern and western boundaries of FARM No.4 to its north-western beacon. Proceed respectively along its northern boundary, the western boundary of farm LOWER NCORA No.3, the northern boundary of farm MTINGWEVU No.1, the western, northern and eastern boundaries of FARM No.2, the northern boundary of FARM No.7, the northern and eastern boundaries of FARM No.8, the eastern boundary of FARM No.9, the northern and eastern boundaries of FARM No.19, the western, northern and eastern boundaries of FARM No.20, the northern boundary of FARM No.37, the western, northern, eastern and southern boundaries of FARM No.38 and the eastern boundary of FARM No.39 to its south-eastern beacon. Continue respectively along the northern boundary of farm MOCKING HILL No.40, the eastern boundary of farm LARNACA No.173, the northern boundary of farm QUARRIES No.183, the western and northern boundaries of farm KEI GATE No.184, the southern, western, northern and eastern boundaries of farm INVER SOMO No.185, the northern boundaries of farms GAME LANDS No.186 and APE FIELD No.187 and the western, northern, eastern and southern boundaries of farm BULL'S RUN No.188 to the north-eastern beacon of farm COWMEADE No.189. Proceed respectively along its eastern and southern boundaries, the eastern, southern and western boundaries of farm STRATHMORE No.190, the southern boundaries of farms WATERDELL No.191 and STRATH BEG No.192, the eastern, southern and western boundaries of farm BUCKNESS No.194, the southern boundary of farm SHANKLIN ANNEX No.196, the eastern boundary of FARM No.208, the northern, eastern, southern and western boundaries of FARM No.209, the southern and western boundaries of FARM No.210, the eastern boundary of FARM No.211, the eastern and southern boundaries of FARM No.605 to the north-eastern beacon of FARM No.3. Proceed along its eastern boundary, the eastern and southern boundaries of farm POST WELLINGTON No.39, then respectively along the southern boundaries of FARM No.9, FARM No.10, FARM No.11, FARM No.12, FARM No.681, FARM No.666, FARM No.663, FARM No.637, FARM No.635, FARM No.634, FARM No.633, FARM No.806, and FARM No.618, the eastern boundary of farm GLENWARREN No.709 and the southern boundaries of FARM No.617 and FARM No.729 to its south-western beacon. Continue respectively along its western boundary and that of FARM No.616, then the northern boundary of FARM No.571, the SAPS boundary, the northern boundaries of FARM No.567, FARM No.566, FARM No.563 and FARM No.562, the eastern and southern boundaries of farm KUBUSIE No.523, the southern boundaries of FARM No.335 and FARM No.334 to its north-western beacon. Then proceed generally south-westwards along the KIESKAMMAHOEK-NORTH Traditional Authority boundary, respectively traversing farms PIRIE BOSRESERVE TWO No.2315, ISIDENGE FOREST RESERVE No.332, FARM No.2394 and PIRIE FOREST ONE No.2319. Then proceed on the NGQIKA Traditional Authority boundary as it traverses the southern boundary of farm PIRIE BOSRESERVE TWO No.2315, and respectively farm PIRIE FOREST ONE No.2319, FARM No.700 and along its western boundary and the SAPS boundary to the north-western beacon of FARM No.1473.

Continue respectively along the western boundaries of FARM No.1473, FARM No.1474, FARM No.1477, FARM No.1478, FARM No.1479 and FARM No.1480, the northern boundaries of FARM No.1485 and FARM No.1484, the northern, western and southern boundaries of FARM No.1483, the southern boundary of SAPS boundary f FARM No.1484 and the western boundaries of FARM No.1485, FARM No.1499, FARM No.2204 (north), FARM No.1515 and FARM No.2204 (south) to its south-western beacon. Then proceed along the NGQIKA Traditional Authority boundary to the north-eastern beacon of FARM No.1543. proceed respectively along its eastern and southern boundaries and the eastern boundary of FARM No.1544 to its south-eastern beacon. Continue respectively along the northern boundaries of FARM No.1623, SAPS boundary, FARM No.1624, SAPS boundary, FARM No.1625, SAPS boundary, FARM No.1627, SAPS boundary, FARM No.1629, SAPS boundary, FARM No.1632, the eastern and northern boundaries of FARM No.1621, the northern boundaries of FARM No.1620, FARM No.1618, FARM No.1617, FARM No.1615, FARM No.1614, FARM No.1609, FARM No.1604 and FARM No.2516 to its north-western beacon. Proceed along the AMAGQUNUKWEBE Traditional Authority boundary to the southern beacon of FARM No.1240. Continue respectively along its eastern and northern boundaries, then proceed due west along the penultimate south-eastern boundary of FARM No.2250, extending onto the NGQIKA Traditional Authority boundary (traversing FARM No.2250) to intersect the western boundary of FARM No.2250. Proceed respectively along its western boundary at the KEISKAMMA RIVER, and the western boundary of FARM No.1235 to a point that is approximately 135metres from its north-western beacon, to join the AMAKHUZE Traditional Authority boundary generally north-westwards to northwards (extensively) to the southern beacon of FARM No.115. Proceed respectively along its eastern boundary, the southern boundaries of FARM No.34 and FARM No.35, the southern and western boundaries FARM No.38, the western and northern boundaries of FARM No.1, the northern boundary of FARM No.2, the western and northern boundaries of FARM No.184, the southern and western boundaries of farm WATERKLOOF AND KRUIS RIVIER No.180 and the western and northern boundaries of farms NEW GLENHOLM No.182 and BOLD POINT NO.178 to a point on its northern boundary that is approximately 1.90km east of its north-western beacon. Proceed generally north-westwards along the SAPS boundary, traversing farm WARFIELD No.173 to a point on its northern boundary that is approximately 1.135km west of its penultimate north-eastern beacon. Then proceed westwards along its northern boundary to a point thereon that is approximately 1.90km east of its penultimate north-western beacon. Proceed generally north-eastwards (traversing FARM No.172) for approximately 2.365km, then north-westwards to intersect its northern boundary at a point that is 1.33km west of its north-eastern beacon. Proceed respectively along the southern boundaries of farms COOLING No.154, ANNEX COOLIN No.168 and GLENCOE No.185 and the southern and western boundaries of farm MEADOW SWEET No.101 to the south-western beacon of farm KINROSS No.103. Continue respectively along its western boundary, the southern and western

		boundaries of farm ELSTOW No.94 and finally the western boundaries of farms DEEP RIVER No.343 and DIEP RIVIER No.96 to its north-western beacon, which is the <i>STARTING</i> point.
	Great Kei sub-district of Amahlathi magisterial district	<p>STARTING from the north-west beacon of farm MATOLA No.37, proceed respectively along its northern boundary, the southern, eastern and northern boundaries of FARM No.209, the eastern boundary of FARM No.208, the southern boundary of farm SHANKLIN ANNEX No.196, the western, southern boundaries of farm BUCKNESS No.194, the western, northern and eastern boundaries of farm LINCOLN No.2 and the western boundaries of FARM No.4 and FARM No.6 to its north-western beacon. Proceed along its northern boundary to intersect and join the AMAHLUBI Traditional Authority boundary and continue generally eastwards along the TA boundary to intersect and join the AMABHELE Traditional Authority boundary. Continue generally south-eastwards along the TA boundary to intersect the AMAZIZI Traditional Authority boundary, proceeding generally eastwards along the AMABHELE Traditional Authority boundary to intersect the GCUWA RIVER and the western boundary of FARM No.211. Proceed respectively along the western and southern boundaries (along the river) of FARM No.211 and continue along the GCUWA RIVER and the FINGO Traditional Authority boundary to intersect the eastern boundary of FARM No.15 at the confluence of the GCUWA and the GROOT-KEI Rivers. Continue along the GROOT-KEI River, and respectively along the eastern boundaries of FARM No.15 and farm GLEN KEI No.16, the southern boundaries of FARM No.168, FARM No.149, farms GXARA No.171 and QOLORA D No.153, QOLORA E No.185 and FARM No.110, to the point where the river departs from the southern boundary of FARM No.110. Then continue along the GROOT-KEI River to intersect the LOW WATER MARK (LWM). Proceed generally south-westwards along the LWM, respectively traversing the SAPS boundary, FARM No.103, FARM No.104, SAPS boundary, FARM No.107, SAPS boundary, FARM No.108, SAPS boundary to the KWENXURA RIVER MOUTH. Then depart from the LWM, generally northwards, to the south-western beacon of FARM No.301. Proceed respectively along its western boundary and that of FARM No.296, the western and northern boundaries of FARM No.295, the western boundary of FARM No.285, the southern boundary of FARM No.286 and the southern and western boundaries of FARM No.287 to its north-western beacon. Continue respectively along the southern boundary of farm Golden Slopes No.288, the southern and western boundaries of FARM No.221, the western boundary of FARM No.220, the southern boundaries of FARM No.218, FARM No.217 and FARM No.216, the southern and western boundaries of FARM No.149, the eastern boundary of FARM No.150, and the eastern and southern boundaries of FARM No.212 to its south-western beacon. Proceed respectively along the southern boundaries of FARM No.158 and FARM No.159, the eastern boundary of FARM No.207, the eastern and southern boundaries of FARM No.210, the southern boundary of FARM No.209, the eastern boundaries of farm COURTLANDS No.205, FARM No.332 (northern section), FARM No.333 and FARM No.332 (southern section) and the</p>

	<p>eastern and southern boundaries of FARM No.331 to its south-western beacon. Continue respectively along the southern boundaries of FARM No.330, FARM No.327, FARM No.326, FARM No.323 and FARM No.343, the southern and western boundaries of FARM No.37 and FARM No.360, the northern and western boundaries of FARM No.361, the western boundary of FARM No.362, the northern and western boundaries of FARM No.363 and farm BLAAUWATER SCHOOL No.33, the southern boundaries of FARM No.31, FARM No.412 and FARM No.431 to its south-western beacon. Proceed respectively along the eastern boundary of FARM No.433, the eastern and southern boundaries of FARM No.434 and FARM No.435, the eastern, southern and western boundaries of FARM No.436, the southern boundary of FARM No.426, the southern and western boundaries of FARM No.425, the southern boundary of FARM No.423, the western boundary of ZIMBABWA No.422, the southern boundary of FARM No.179, the western boundaries of farm BROOKLYN COURT No.178 and FARM No.177, the southern boundary of farm UPPER VULCAN VALE No.175 and the southern and western boundaries of farm WEXFORD No.174 to its south-western beacon. Continue respectively along the northern boundary of farm ESSEX No.173, the western boundary of farm BLEAK MOOR No.41, the western and northern boundaries of farm N DIMBA No.38, the western boundary of farm GADZOOKS No.465 and finally the western boundary of farm MATOLA No.37 to its north-western beacon, which is the STARTING POINT.</p>
<p>Mbashe sub-district of Amahlathi magisterial district</p>	<p>STARTING from the north-western point of intersection of the MGWALI RIVER, the secondary road and the HALA Traditional Authority boundary, proceed along the MGWALI RIVER and the TA boundary generally eastwards, then south-eastwards. Continue thereon, through the MAKOBOWENI Sub-place until the confluence of the MBASHE and MGWALI Rivers. Proceed generally south-eastwards, extensively along the MBASHE RIVER, crossing the N2, still on the MBASHE RIVER and proceeding respectively along the western and southern boundaries of farm TYALARA No.42 to its south-eastern beacon. Continue along the MBASHE RIVER to the south-western beacon of FARM No.236, then respectively along its western and southern boundaries, the southern boundary of FARM No.42, the eastern boundary of FARM No.236, the southern boundary of FARM No.40 and the western and southern boundaries of FARM No.242 to its south-eastern beacon. Proceed along its eastern boundary to intersect the western boundary of FARM No.74, then partially traverse its western sector and then traverse FARM No.242, first westwards then north-eastwards across the MJIKWENI secondary road to eventually intersect the northern boundary of FARM No.242. Continue respectively along its northern boundary, the southern boundary of FARM No.78 and the western boundary of FARM No.226 (along the XORA RIVER). Depart from this western boundary (as the XORA RIVER deviates southwards) and traverse FARM No.226 generally eastwards to join the ELLIOTDALE secondary road at MABHANA. Proceed generally south-westwards along this road (still traversing FARM No.226) to rejoin its western boundary and proceed thereon to its south-western</p>

beacon (at the MAFAKATHINI secondary road). Continue generally southwards along the QIYA Traditional Authority boundary (crossing the XORA RIVER and traversing FARM No.79 to intersect its north-western boundary and proceed on the TA boundary to loop back and again intersect the north-western boundary of FARM No.79. Proceed generally southwards along the TA boundary (traversing FARM No.79) to intersect its western boundary again. Continue along the TA boundary to loop back respectively along the northern boundary of FARM No.74 (at NCAMBEZANA secondary road) and the western boundary of FARM No.79 to depart therefrom at the DUDANI secondary road and proceed along the GCALEKWA / NGCHANA TA boundary (traversing FARM No.179) and then again along the western boundary of FARM No.79 at the CELESI secondary road and departing from its western boundary at the MANGWENI secondary road to traverse FARM No.79 generally south-eastwards along the NGQWANGELE Traditional Authority boundary, proceeding to intersect the northern boundary of FARM No.68 at the DIKENI secondary road. Then proceed respectively along the northern boundaries of FARM No.68 and FARM No.158 and along the TA boundary to the northern boundary of FARM No.64 and respectively the northern boundary of FARM No.65 and the western boundary of FARM No.61 to its north-western beacon. Continue along the JALAMBA Traditional Authority boundary to the north-western beacon of FARM No.59. Proceed respectively along its northern boundary and respectively that of farm ORANSAY No.57, the northern and eastern boundaries of FARM No.77, the southern boundary of FARM No.168 and the eastern boundary of farm ORANSAY No.57 to its south-eastern beacon. Proceed along the western boundary of farm SIKOLOKOTA No.54, then traverse eastwards internally along the JALAMBA TA boundary to a point on its eastern boundary that is approximately 270 metres from its north-eastern beacon. Then proceed respectively along its eastern boundary and that of farm MNCWASA EAST No.40 to its intersection with the XWANGU Secondary road (approximately 615 metres from its south-eastern beacon). Continue generally eastwards along the TSHEZI TA boundary, respectively traversing FARM No.206 and farm MNCWASA No.38 to intersect its eastern boundary. Continue generally southwards, respectively along its eastern boundary, the Traditional Authority boundary, the southern boundaries of farm MPAME No.39, FARM No.42, farm QATYWA No.43, FARM No.150, the eastern boundary of FARM No.30, the TA boundary, the eastern boundary of FARM No.30, the eastern boundary of FARM No.31, the TA boundary, the eastern boundary of FARM No.293, the southern boundaries of FARM No.294, FARM No.485 and FARM 320, the TA boundary, the southern boundary of FARM No.314, the T A boundary, the southern boundary of FARM No.314, the T A boundary and the southern boundary of FARM No.308 to its central southern beacon. Continue respectively along the southern boundaries of FARM No.308, FARM No.536, FARM No.298 and FARM No.333, the southern and western boundaries of FARM No.572, the southern boundary of FARM No.296 and the southern and western boundaries of FARM No.295 to its north-western beacon. Proceed respectively along the northern

		<p>boundaries of FARM No.78 and FARM No.2 to its north-western beacon. Proceed generally south-westwards along the MAGALAKANQA Secondary Road to intersect the railway-line, then proceed due west thereon to join the middle of the N2. Proceed generally north-eastwards on the middle of the N2, departing from the N2 at the EMGCWE Sub-place and proceeding generally northwards along the AMAHLUBI Traditional Authority boundary, to join MAIN ROAD R408 at MINGUMA. Proceed generally north-westwards along the R408 on the TA boundary, then deviate from the R408 generally westwards along the AMAHLUBI TA boundary to the convergence point of the HALA, AMAHLUBI and GCUWA Traditional Authority areas. Then deviate at the NDABA Sub-place, generally north-eastwards along the HALA TA boundary, crossing the R408 and maintaining the general north-easterly route on the TA boundary to finally proceed to the point of intersection of the MGWALI RIVER, the secondary road and the HALA TA boundary, which is the <i>STARTING</i> point.</p>
	<p>Ngqushwa sub-district of Amathole magisterial district</p>	<p><i>STARTING</i> from the north-west beacon of FARM No.223, proceed along its northern boundary and continue along the SAPS boundary (traversing FARM No.220) on its eastward linear extension for approximately 875metres, then northwards for approximately 250metres to intersect the eastern boundary of FARM No.220. Continue respectively along its eastern boundary, the northern boundary of FARM No.222, the western, northern and eastern boundaries of FARM No.224, the northern boundary of FARM No.225, the western boundary of FARM No.226 and the western, northern and eastern boundaries of farm RILEYVALE No.409 to its south-eastern beacon. Proceed respectively along the eastern boundary of FARM No.226, the northern and eastern boundaries of farm GROET PLACE No.4, the western, northern and eastern boundaries of farm WATERVAL No.5, the northern boundary of farm FONTAINS KLOOF No.6, the western and northern boundaries of farm BOSCH PLACE No.8, the eastern boundary of FARM No.2425, the eastern boundary of farm BOSCH PLACE No.8, the eastern boundary of farm BOSCH KLOOF No.9, the northern boundaries of farm GELUK No.10 and FARM No.11, the western boundary of FARM No.12 and the western and northern boundaries of FARM No.2426 to its north-eastern beacon. Continue respectively along the northern and eastern boundaries of FARM No.15, the northern boundary of farm WELTEVREDE ANNEXE No.16, the western and northern boundaries of FARM No.17, the northern boundary of farm SHORNCIFFE No.18, the northern and eastern boundaries of FARM No.19, the eastern boundaries of farm LINE DRIFT No.20, FARM No.21 and farm LYNWOOD No.23, the northern boundary of farm FAIRFIELD No.36, the western, northern and eastern boundaries of FARM No.265, farm HAWDEW No.39 and farm WATFORD No.40, the northern and eastern boundaries of farm WAXFORD No.41, the northern boundary of FARM No.2013 and the western, northern and eastern boundaries of farm MAITLAND No.68 to its south-eastern beacon. Proceed respectively along the eastern boundary of farm MAITLAND No.69, the northern and eastern boundaries of farm MAITLAND No.70, the eastern boundary of farm MAITLAND No.110, the northern boundary of farm MAITLAND No.111, the northern and eastern</p>

	<p>boundaries of farm MAITLAND No.112, the eastern boundary of farm KINGSCOTE No.114, the southern boundaries of farm AURORA No.1173, FARM No.1174 and FARM No.1198, the south-western boundary of FARM No.1199 and then generally south-eastwards along the middle of the KEISKAMMA RIVER to the western boundary of FARM 1164. Proceed to the river mouth and the INDIAN OCEAN LOW WATER MARK (LWM). Continue generally south-westwards along the LWM to the south-eastern beacon of FARM No.172. Proceed respectively along its southern boundary (on the LWM) and that of farms HERCULES No.174, BLUE KRANS No.175, SAXON VILLA No.176, NEW BRADFORD No.177, GQUTYWA RIVER MOUTH, farm GUSHA MOUTH No.192, farm BEGA MOUTH No.193, BIRA RIVER MOUTH, farm MILTON No.194, farm HAMILTON No.195, MGWALANA RIVER MOUTH, FARM No.211, MTATI RIVER MOUTH, the LWM, farm MAITLAND No.227, farm LESSERDRUM No.251, FARM No.244, the LWM and the eastern boundary FARM No.243. Proceed along the LWM, respectively traversing FARM No.309, FARM No.468 and FARM No.309 (again) to the middle of the GROOT-VIS RIVER. Proceed along the middle of the river (traversing FARM No.309), then respectively along its southern and western boundaries, the western boundary of FARM No.268, the SAPS boundary, the western boundary of farm HUNTS DRIFT OUTSPAN No.131, the north-western boundary of FARM No.237, FARM No.236 and FARM No.235 to its north-western beacon. Proceed respectively along the northern boundaries of FARM No.235 and FARM No.234, the western boundaries of farms BREAKFAST VLEI OUTSPAN No.1, FARM No.222 and finally FARM No.223 to its north-western beacon, which is the <i>STARTING</i> point.</p>
<p>Raymond Mhlaba sub-district of Amathole magisterial district</p>	<p><i>STARTING</i> from the north-west beacon of farm CHEVIOT FELS No.20, proceed respectively along its northern and eastern boundaries, the western boundary of farm QUAGGAS HOEK No.19 and the northern boundaries of FARM No.23, FARM No.24, FARM No.25, farm EMERALD HILL No.26, FARM No.1, farms ORIBI FOUNTAINS No.3, TIGER KLOOF No.4 and KINNAIRD No.12 to its north-eastern beacon. Continue along its eastern boundary and respectively the northern boundary of FARM No.13, the western and northern boundaries of FARM No.14, the northern boundaries of FARM No.15 and FARM No.1, the western boundary of farm PLEASANT VIEW EXTENSION No.2, the western and northern boundaries of FARM No.3 and the eastern boundaries of farm GLENELG No.15, FARM No.1336, FARM No.20 and FARM No.21 to the north-western beacon of FARM No.114. Proceed respectively along its northern and eastern boundaries, the eastern boundaries of FARM No.167, farms WANTAGE No.169, CRISTAMINT KLOOF No.170 and KLIP HEUVEL No.171 to its south-eastern beacon. Continue along its southern boundary for approximately 1.33km then south-eastwards along the SAPS boundary (traversing FARM No.172) for approximately 475metres and continue south-westwards along the SAPS boundary (traversing FARM No.172) for approximately 2.365km to a point on the northern boundary of farm WARFIELD No.173 that is approximately 1.90km east of its penultimate north-western beacon. Proceed eastwards along its</p>

northern boundary to a point thereon that is approximately 1.135km west of its penultimate north-eastern beacon. Proceed generally south-eastwards along the SAPS boundary, traversing farm WARFIELD No.173, to a point on its southern boundary that is approximately 1.90km east of the north-western beacon of farm BOLD POINT No.178. Continue respectively along the southern boundary of farm WARFIELD No.173, the eastern boundary of farm MIDDLE WATER No.185, the northern, eastern and southern boundaries of farm MERINO No.181, the eastern boundaries of FARM No.777 and FARM No.778, the southern boundaries of FARM No.38, FARM No.35 and FARM No.34 and the eastern boundary of FARM No.115 to its southern beacon. Proceed generally southwards to south-eastwards extensively along the AMAKHUZE Traditional Authority boundary to eventually intersect the western boundary of FARM No.1235 at a point that is approximately 135metres south of its north-western beacon. Proceed south, respectively along its western boundary and that of FARM No.2250 along the KEISKAMMA RIVER, to join the NGZIKA Traditional Authority boundary proceeding due east (traversing FARM No.2250), joining onto its penultimate south-eastern boundary, proceeding to the north-western beacon of FARM No.1240. Continue respectively along its northern and eastern boundaries to its southern beacon, then southwards along the AMAGQUNUKWEBE Traditional Authority boundary to the north-western beacon of FARM No.2516. Proceed along its northern boundary and respectively that of FARM No.1604, the SAPS boundary, FARM No.1609, FARM No.1614, FARM No.1615, FARM No.1617, FARM No.1618, FARM No.1620, FARM No.1621, SAPS boundary, FARM No.1632, SAPS boundary, FARM No.1629, SAPS boundary, FARM No.1627, SAPS boundary, FARM No.1625, SAPS boundary, FARM No.1624, SAPS boundary, FARM No.1623 to the south-eastern beacon of FARM No.1544. Proceed respectively along the northern and eastern boundaries of FARM No.2451 and FARM No.2452 and the eastern boundary of FARM No.2453 to its south-eastern beacon. Then proceed generally southwards along the IMIDUSHANE Traditional Authority boundary, traversing FARM No.2360, to the north-western beacon of FARM No.2007. Continue generally south-westwards along the TA boundary, still traversing FARM No.2360, to the southern beacon of FARM No.2445. Proceed respectively along its southern boundary, the western boundary of FARM No.2360, the southern boundaries of FARM No.2426, FARM No.2425, the southern and western boundaries of FARM No.2020, and the southern boundary of FARM No.2425 to the southern beacon of FARM No.220. Then proceed west along its eastern boundary for approximately 500metres and continue generally southwards for approximately 250metres (traversing FARM No.220) along the SAPS boundary, then south-westwards thereon (traversing FARM No.220), online to the northern boundary of FARM No.223, to its north-eastern beacon. Continue respectively along the northern boundary of FARM No.223, the eastern boundaries of FARM No.221, FARM No.220, FARM No.229 and FARM No.228, the southern and western boundaries of FARM No.233, the western boundaries of FARM No.228 and FARM No.229, the eastern boundary of FARM No.230, the eastern, southern and western

boundaries of FARM No.232, the southern boundary of FARM No.230, the eastern, southern and western boundaries of FARM No.231, the western boundaries of FARM No.230, FARM No.219 and FARM No.215, the southern boundary of FARM No.210 and the eastern and southern boundaries of FARM No.201 to its south-western beacon. Proceed respectively along the eastern and southern boundaries of FARM No.199, the southern boundaries of FARM No.198 and FARM No.212, the southern and western boundaries farm KUNAP POST No.196, the southern boundary of FARM No.188, the eastern, southern and western boundaries of FARM No.189, the western boundary of FARM No.190, the southern boundary of FARM No.185, the eastern, southern and western boundaries of FARM No.186, the western boundary of FARM No.183, the southern boundary of farm BRIDGEWATER No.205, the eastern boundary of FARM No.204, the eastern and southern boundaries of FARM No.182, the western boundary of farm MILL RIVER FARM ANNEX No.181 (eastern section), the western and northern boundaries of FARM No.204, the eastern, southern and western boundaries of MILL RIVER FARM ANNEX No.181 (western section), the western boundary of FARM No.204 and the southern boundary of farm FROME No.179 to its south-western beacon. Then proceed respectively along the southern boundaries of farms GOOD HOPE No.5 and KIANGHAS DRIFT No.7 to its south-western beacon. Proceed along the SAPS boundary, traversing FARM No.678, to the outer-western beacon of farm KIANGHAS DRIFT No.7 and then along its western boundary to its north-western beacon. Continue respectively along the southern boundaries of farms ELANDS KOP No.2, LEUWIS DRIFT No.1 and GANNA HOEK No.215, FARM No.213 and farms HOPPEWELL A No.212 and HARTMANS KRAAL No.217 to its south-western beacon. Proceed respectively along the eastern boundaries of farms DORN BOOM No.228, OUTVLUGT No.229, MUTHER LIGHTE No.230 and FARM No.302 to its south-eastern beacon. Then proceed respectively along the northern, eastern and southern boundaries (co-incident with the Secondary Road) of farm GROEN PUNT No.239, the southern boundary of FARM No.300, the eastern, southern and western boundaries of farm KOEDOES KLOOF No.236, the southern boundary of FARM No.234 and the eastern, southern and western boundaries of farm HOENDERS HOEK No.235 to its north-western beacon. Proceed generally northwards along the Road, respectively traversing farms SOUT VLEIJ No.233, FARM No.368, SOUT VLEIJ (again) and BLAAUW KRANTZ No.179 to intersect its eastern boundary. Continue respectively along the western and northern boundaries of farm DE DAM No.180, the western boundary of farm OLIVE WOODS ESTATE No.169, the southern boundary of farm MULLERS KRAAL No.159, the southern, western and northern boundaries of farm GREAT RIEN FONTEYN No.160, the western boundaries of farms QUAGAS KUYL No.155 and KLIP FONTEYN No.150 and the southern and western boundaries of farm BAVIANS KRANTZ No.151 to its north-western beacon. Proceed respectively along the eastern boundary of farm ROOY DRAAI No.146, the southern, western and northern boundaries of farm ZURE KOP No.74 and the western boundary of farm AROLSEN No.69 to its intersection with the National Road

Buffalo City Magisterial District	East London main seat of Buffalo City magisterial district	<p>N10 at a point approximately 135metres from its north-western beacon (at the GROOT-VIS RIVER). Proceed generally northwards to north-westwards along the N10, respectively traversing farms AROLSEN No.69, FARM No.282, farm KLERKSDAL No.247, FARM No.267, the eastern boundary of FARM No.266, farm DAGGABOERHOEK No.258, FARM No.266 and FARM No.1, to intersect its northern boundary at a point approximately 2.00km east of its north-western beacon. Continue respectively along its northern boundary and that of FARM No.2, FARM No.4, FARM No.6, FARM No.4 (again), the western boundaries of FARM No.9 and FARM No.11, the western and northern boundaries of FARM No.12, the western boundary of FARM No.16, the southern boundary of farm GELUK No.503 and the southern and eastern boundaries of farm JORDAANS KRAAL No.506 to the third beacon on the eastern boundary. Proceed due east along the SAPS boundary to the north-western beacon of FARM No.303, Then respectively along its northern boundary and finally along the western boundary of farm CHEVIOT FIELDS No.20 to its north-western beacon, which is the <i>STARTING</i> point.</p> <p>STARTING from the north-western beacon of FARM No.211, proceed respectively along its northern and eastern boundaries, the western and northern boundaries of FARM No.213, the northern and eastern boundaries of FARM No.291, the northern boundary of FARM No.290, the northern and eastern boundaries of FARM No.292, the northern boundary of FARM No.293, the northern and eastern boundaries of FARM No.294, the northern boundary of FARM No.304, the northern and eastern boundaries of FARM No.303, the eastern boundaries of FARM No.302 and FARM No.215, and the western boundary of FARM No.301 to its south-western beacon. Then proceed along the middle of the KWENXURA RIVER at its mouth, to the Indian Ocean LOW WATER MARK (LWM). Proceed generally south-westwards on the LWM, respectively along the eastern boundary of FARM No.215, the LWM, the LWM adjacent to the eastern boundary of farm COASTAL FOREST RESERVE No.460 and FARM No.1285, along the eastern and southern boundaries of FARM No.513, the LWM, the eastern boundary of FARM No.781, the KWELERA RIVER MOUTH, the northern and eastern boundaries of FARM No.782, the SAPS boundary on the LWM at GONUBIE, the southern boundary of FARM No.803, the QINIRA RIVER MOUTH, the SAPS boundary on the LWM at BEACON BAY, the NAHOON RIVER MOUTH, the SAPS boundary, the BUFFALO RIVER MOUTH, the SAPS boundary on the LWM, the southern boundary of FARM No.1007, the SAPS boundary on the LWM, the southern boundary of FARM No.1012, the SAPS boundary on LWM, the eastern boundary of FARM No.1062, the SAPS boundary on LWM, to the south-eastern beacon of FARM No.1097. Continue respectively along its southern boundary, the SAPS boundary on LWM, the TYOLOMNQA RIVER MOUTH, the SAPS boundary, to the south-eastern beacon of FARM No.1164. Proceed along its southern boundary and the LWM to its south-western beacon. Continue along its western boundary to its penultimate western beacon and then proceed along the middle of the KEISKAMMA RIVER to the south-western beacon of FARM No.1199. Proceed respectively along the</p>
-----------------------------------	--	---

southern boundaries of FARM No.1198 and FARM No.1174, the southern and western boundaries of farm AURORA No.1173, the western boundaries of FARM No.1172 and FARM No.1157, the southern boundary of FARM No.1154, the southern and western boundaries of FARM No.1153 and the southern boundaries of FARM No.1152 and FARM No.2179 to its intersection with the IMIQAYI Traditional Authority boundary. Proceed generally north-eastwards along the TA boundary (traversing FARM No.2179) to its intersection with the western boundary of FARM No.1976. Continue respectively along its western and northern boundaries, the western and northern boundaries of FARM No.1971, the northern boundaries of FARM No.1970 and FARM No.1965, the southern and western boundaries of FARM No.1958, the southern and western boundaries of FARM No.1956, the western and northern boundaries of FARM No.1938, the northern boundary of FARM No.1939, the northern and eastern boundaries of FARM No.1941, the northern boundaries of farm WELCOME No.1943, FARM No.1944 and FARM No.1947, to its north-eastern beacon. Proceed respectively along the southern boundaries of FARM No.2358 and FARM No.1409, then along the western boundary of FARM No.1404 for approximately 250metres. Then proceed generally south-eastwards along the BUFFALO RIVER, respectively traversing FARM No.1404 and FARM No.840 to intersect its southern boundary. Proceed along its southern boundary to its south-eastern beacon. Then traverse FARM No.1404 to the northern boundary of FARM No.848, to a point thereon, that is approximately 85metres west of the penultimate north-western beacon of FARM No.838. Proceed in a loop along the SAPS boundary, traversing FARM No.1404 (north-eastwards, eastwards and southwards) and then traverse FARM No.838 generally south-eastwards to its south-eastern beacon. Then traverse FARM No.1404 generally eastwards to intersect the western boundary of FARM No.850. Proceed respectively along the western and northern boundaries of FARM No.850, departing mid-way therefrom into FARM No.1404. Continue generally eastwards to north-eastwards along the SAPS boundary, traversing FARM No.1404 extensively (inclusive of the BRIDLE DRIFT Sub-place), to intersect the western boundary of FARM No.832, approximately 185metres from its south-western beacon. Proceed generally north-eastwards, traversing FARM No.832, to intersect the western edge of the rail-reserve and proceed generally northwards along the western edge of the rail-reserve for approximately 155metres to intersect the western boundary of FARM No.832. Continue respectively along its western boundary and that of FARM No.833, farm CYRIL LORD No.1212 and FARM No.640 to its north-western beacon. Proceed respectively along its northern boundary, the western boundary of FARM No.602, then briefly along the NAHOON RIVER (traversing FARM No.304), to again along the western boundary of FARM No.602, until its north-western beacon. Then proceed generally north-westwards along the southern boundary of the East London Sub-place (traversing FARM No.305) to intersect its western boundary at a point approximately 180metres north of the north-western beacon of FARM No.304. Proceed respectively along the western boundaries of FARM No.305 and FARM No.304 along the NAHOON RIVER and continue

	<p>along the river course (generally north-westwards) to the south-eastern beacon of farm NAHOON VIEW No.272. Proceed respectively along its southern and western boundaries, the southern boundaries of FARM No.1492 and FARM No.279, the southern, western and northern boundaries of FARM No.276, the northern boundaries farms DABADABA OUTSPAN No.275, EAST LONDON No.274 and FARM No.1443, the western boundary of FARM No.7 and the eastern boundaries of FARM No.1859 and FARM No.1858 to its north-eastern beacon. Continue respectively along the southern boundaries of FARM No.1841, FARM No.2146 and FARM No.1840, the western and northern boundaries of FARM No.1, the western, northern and eastern boundaries of farm SWEETLAND No.2 and FARM No.3, the eastern boundary of FARM No.4, the northern boundaries of FARM No.13 and FARM No.14 and the western and northern boundaries of farm SLIPPERY DRIFT No.15 to its north-eastern beacon. Proceed respectively along the northern boundary of FARM No.16, the western and northern boundaries of farm GROOTBOOM No.19 and the western boundaries of FARM No.23, FARM No.25, FARM No.26 and FARM No.29 to its northern beacon. Continue respectively along its northern boundary and that of FARM No.32, the western and northern boundaries of farm BLAAUWATER SCHOOL No.33 and FARM No.363, the western boundary of FARM No.362, the western, northern and eastern boundaries of FARM No.361, the eastern boundary of FARM No.362, the northern boundary of FARM No.35, the eastern boundaries of FARM No.36 and FARM No.39 and the western and northern boundaries of FARM No.38, to its north-eastern beacon. Proceed respectively along the northern boundaries of FARM No.51, FARM No.52, FARM No.53, FARM No.320, FARM No.322, FARM No.321 and FARM No.317 to its northern beacon. Finally, proceed respectively along the western and northern boundaries of FARM No.314 and the western boundary of FARM No.211 to its north-western beacon, which is the STARTING point.</p>
<p>Zwitsha Buffalo district City sub-district of magisterial</p>	<p>STARTING from the north-west beacon of farm PIRIE BOSRESERWE TWO No.2315, proceed respectively along its northern boundary, the southern boundary of FARM No.335, the northern boundaries of FARM No.658, FARM No.659 and FARM No.654, the eastern boundary of farm KUBUSIE No.523 and the western boundaries of FARM No.561 and FARM No.562 to its northern beacon. Continue respectively along the northern boundaries of FARM No.563, FARM No.566, FARM No.567, the SAPS boundary and FARM No.571 to its north-eastern beacon. Proceed respectively along its eastern boundary, the north-eastern boundaries of FARM No.570 and FARM No.27, the north-western boundary of FARM No.22, the northern boundaries of FARM No.2520, FARM No.21, FARM No.18, FARM No.2150 and FARM No.2151 to its north-eastern beacon. Proceed respectively along its eastern boundary and that of FARM No.15, the northern and eastern boundaries of FARM No.2152, FARM No.1835 and FARM No.1836, the eastern boundary of FARM No.1837, the northern, eastern and southern boundaries of FARM No.1838, the eastern boundary of FARM No.2147 and the northern, eastern and southern boundaries of FARM No.1839 to the north-eastern beacon of FARM No.1840. Continue respectively along its eastern and southern boundaries, the</p>

southern boundaries of FARM No.2146 and FARM No.1841, the eastern boundary of FARM No.1858, the eastern and southern boundaries of FARM No.1859, the southern boundary of FARM No.1860, the eastern and southern boundaries of FARM No.1861 and FARM No.1863, the western boundary of farm MISTLEY ANNEXE No.277 and the eastern boundary of FARM No.284 to its south-eastern beacon. Proceed respectively along the northern and eastern boundaries of farm MISGUND No.285, to a point on its eastern boundary that is approximately 235metres north of the first beacon on its eastern boundary from its north-eastern beacon. Then proceed along the AMANDLAMBE Traditional Authority boundary, traversing farm MISGUND No.285, generally west, south and then west, to intersect its western boundary. Continue respectively along the eastern and southern boundaries of FARM No.2358, the southern boundary of FARM No.2144, the southern boundary of FARM No.2358, the eastern boundary of FARM No.1990, the northern boundary of FARM No.1959, the eastern boundary of FARM No.1960, the southern boundary of FARM No.1964, the eastern boundary of FARM No.2179, the northern, eastern and southern boundaries of FARM No.1975, the eastern boundaries of FARM No.1986 and FARM No.2179 to the Secondary Road. Proceed generally south along the Secondary Road (traversing FARM No.2179) to the start of the IMIQAYI Traditional Authority boundary at the eastern boundary of FARM No.2179. Proceed (traversing FARM No.2179) along the TA boundary, first south, then east and north at the fork of the secondary road, for approximately 135metres. Then proceed generally south-westwards (traversing FARM No.2179) along the IMIQAYI TA boundary, to eventually intersect the northern boundary of farm MAITLAND No.68. Continue respectively along the western boundaries of FARM No.2179 and FARM No.2360, the southern boundary of FARM No.2426, the IMIDUSHANE Traditional Authority boundary, the western boundary of FARM No.2017 and the western boundary of FARM No.2360, then eastwards along the IMIDUSHANE Traditional Authority boundary (traversing FARM No.2360) to the north-western beacon of FARM No.2007. Continue generally north-westwards along the IMIDUSHANE Traditional Authority boundary (traversing FARM No.2360) to rejoin the western boundary of FARM No.2360 at the south-eastern beacon of FARM No.2453. Proceed generally northwards, respectively along the western boundary of FARM No.2360, then westwards along the northern boundary of FARM No.2452 and the eastern boundary of FARM No.2451 to a point on its eastern boundary, approximately 185metres from its north-eastern beacon. Then proceed generally west along the AMAGQUNUKWEBE Traditional Authority boundary, traversing FARM No.2451, to the north-eastern beacon of FARM No.1623. Proceed along the north-western boundary of FARM No.2451, the NGQIKA Traditional Authority boundary, the eastern boundary of FARM No.1544 and the southern and eastern boundaries of FARM No.1543 to its north-eastern beacon. Then proceed generally north-eastwards along the NGQIKA Traditional Authority boundary, to the north-eastern beacon of FARM No.1519. Continue respectively along the western boundaries of FARM No.2204 (south), FARM No.1515, FARM No.2204 (north), FARM No.1499 and FARM

		<p>No.1485, the southern boundary of FARM No.1484, the southern, western and northern boundaries of FARM No.1483, the northern boundaries of FARM No.1484 and FARM No.1485, the western and northern boundaries of FARM No.1481, the northern boundary of FARM No.1480, SAPS boundary and the northern boundary of FARM No.1479 to its north-eastern beacon. Proceed respectively along the western boundary of FARM No.1478, the western and northern boundaries of FARM No.1477 and the western boundaries of FARM No.1474 and FARM No.1473 to its north-western beacon. Then proceed generally north-eastwards along the NGQIKA Traditional Authority boundary to the south-western beacon of FARM No.700. Proceed along its entire western boundary (on the TA boundary) and traverse its northern section to the south-western beacon of farm PIRIE FOREST ONE No.2319. Continue (on the TA boundary) partially along its western boundary and then to the outer-south-western beacon of farm PIRIE BOSRESERWE TWO No.2315. Proceed (on the TA boundary) along its entire outer-western boundary, then respectively traversing FARM No.2394 and farm ISIDENGE FOREST RESERVE No.332 to the penultimate western boundary beacon of farm PIRIE BOSRESERWE TWO No.2315, continuing along its western boundary to its north-western beacon, which is the <i>STARTING</i> point.</p>
	<p>Mdantsane sub-district of Buffalo City magisterial district</p>	<p><i>STARTING</i> from the north-western beacon of farm MISTLEY ANNEXE No.277, proceed respectively along its northern boundary and that of FARM No.278, FARM No.282, FARM No.280 and the southern boundary of farm NAHOON VIEW to its south-eastern beacon. Continue generally south-eastwards along the Secondary Street and the NAHOON RIVER to join the western boundary of FARM No.304 along the river-course. Proceed along its western boundary to its north-western beacon and then to a point on the western boundary of FARM No.305, that is approximately 180metres from the beacon. Then proceed generally south-eastwards along the southern boundary of the East London Sub-place to intersect the southern boundary of FARM No.305. Proceed respectively along its southern boundary, the eastern boundary of FARM No.304, the eastern and southern boundaries of farm GLENCAIRN No. 604, the western boundaries of FARM No.640, farm CYRIL LORD No.1212, FARM No.833 and FARM No.832 to a point on the western edge of the rail-reserve. Proceed generally southwards on the SAPS boundary, along the western edge of the rail-reserve for approximately 155metres, then deviate generally south-westwards, respectively traversing FARM No.832, FARM No.1404 (extensively, inclusive of the BRIDLE DRIFT Sub-place), FARM No.850, FARM No.1414 (south-western section) to the south-eastern beacon of FARM No.838. Continue along the SAPS boundary, generally north-westwards, traversing FARM No.838 and FARM No.1404, to intersect the northern boundary of FARM No.848 at a point thereon that is approximately 85metres west of the penultimate north-western beacon of FARM No.838. Proceed west, respectively along the northern boundaries of FARM No.848 and FARM No.847, the western boundary of FARM No.1404 and the southern boundary of FARM No.1409 to the south-eastern beacon of FARM</p>

Chris Hani Magisterial District	Komani main seat of Chris Hani magisterial district	<p>No.2358. Continue extensively along its eastern boundary until its intersection with the AMANDLAMBE Traditional Authority boundary. Proceed (traversing farm MISGUND No.285) initially east, then generally north along the AMANDLAMBE Traditional Authority boundary and deviate eastwards thereon to intersect the eastern boundary of farm MISGUND No.285 at a point on its eastern boundary that is approximately 235metres north of the first beacon on its eastern boundary from its north-eastern beacon. Proceed respectively along its eastern and northern boundaries and finally the western boundaries of farms MISTLEY No.1219 and MISTLEY ANNEXE No.277 to its north-western beacon, which is the <i>STARTING</i> point.</p>
		<p>STARTING from the north-western beacon of FARM No.101, proceed respectively along the western and northern boundaries of FARM No.100, the western boundary of FARM No.99, the western and northern boundaries of FARM No.54, the northern boundary of FARM No.53 and the western, northern and eastern boundaries of FARM No.52, to the intersection of its eastern boundary with the TEEBUS RIVER. Proceed along the TEEBUS RIVER (traversing FARM No.105) to the south-western beacon of FARM No.108. Continue respectively along its western boundary, the western and northern boundaries of FARM No.106 and the northern boundaries of FARM No.1, FARM No.2, farm WELTEVREDEN No.3, FARM No.144, FARM No.6 and farm GROBBELAARS KUILEN No.7 to its north-eastern beacon. Then proceed respectively along the western boundaries of FARM No.9 and FARM No.10 to its north-western beacon. Continue respectively along its northern boundary and that of farm DOORNFONTEIN No.48, the western and northern boundaries of FARM No.46 and the northern boundaries of FARM No.44, FARM No.221 and farm STOCKDALE No.282 to its north-eastern beacon. Proceed along its eastern boundary to its south-eastern beacon, then continue approximately 710 metres south-eastwards on the extension of the boundary, to the start of the Molteno Sub-place boundary. Then traverse farm WELTEVREDE No.222 generally north-eastwards along the Sub-place boundary, to intersect its northern boundary at a point approximately 1250 metres west of the south-western beacon of farm VISCH FONTEIN No.224. Proceed along the northern boundary of farm WELTEVREDE No.222, then respectively along the western boundaries of farms VISCH FONTEIN No.224 and THE GLEN No.243 to its north-western beacon. Continue respectively along its northern boundary, the northern and eastern boundaries of FARM No.1, the northern boundary of FARM No.2, the northern and eastern boundaries of FARM No.6, the northern and eastern boundaries of FARM No.7, the western and northern boundaries of FARM No.8 and the western boundary of farm WOLWE FONTEIN No.9 to its north-western beacon. Proceed respectively along its northern and eastern boundaries and the eastern boundaries of FARM No.10, FARM No.11, FARM No.21 and FARM No.22 to its south-eastern beacon. Proceed respectively along its southern boundary, the eastern boundary of FARM No.24, and the southern boundaries of farms NOOITGEDACHT</p>

No.152, CHEVY CHASE HILL No.154 and DROOGE FONTEIN No.155 to its south-eastern beacon. Continue respectively along its eastern boundary, the northern boundary of farm STAFELSBERGS KLOOF No.156 and the eastern boundary of farm STAFELBERGS VLEY No.157 to its south-eastern beacon. Proceed generally southwards on a stream (along the STERKSTROOM Sub-place), traversing farm MURREL FOUNTAIN No.159, to a point on the western boundary of farm BIRDS RIVER No.175, approximately 800 metres east of its western beacon. Proceed respectively along its western and southern boundaries, the eastern boundary of farm BOTTERKOP No.201 and the eastern boundary of farm UYS No.260 to its south-eastern beacon. Then proceed (extensively) generally southwards along the NONESI Traditional Authority boundary to the north-western beacon of farm PROSPECT No.152. Continue respectively along its northern and southern boundaries and the eastern boundaries of FARM No.154, farm GREENFOUNTAIN No.156 and farm EVERTON No.158 to a point on its eastern boundary, that is approximately 1.00 km from its north-eastern beacon. Then proceed generally eastwards to north-eastwards along the HALA Traditional Authority boundary, to join the WIT KEI River, and proceeding on the river to join the northern perimeter of the XONXA Dam until intersection with the southern boundary of FARM No.107 and proceeding along its southern boundary to its south-eastern beacon. Continue generally southwards along the HALA Traditional Authority boundary to rejoin the WIT KEI River. Then proceed along the WIT KEI River until its confluence with the CACADU River. Continue along the CACADU River until its next confluence with the WIT KEI River. Continue along the WIT KEI River, through the north-western beacon of FARM No.130 to eventually join the HALA Traditional Authority boundary, as the river deviates southwards. Proceed generally north-eastwards along the TA boundary, through the KwaGcine Sub-place. Continue extensively along the TA boundary until the south-eastern beacon of FARM No.95. Proceed respectively along its eastern boundary, the southern and eastern boundaries of FARM No.90 to its north-eastern beacon. Then proceed respectively along the western boundaries of FARM No.44, farms SOUTHEYVILLE No.102, LUBOLO No.103 and NTLONZI No.105 (on the INDWE River) to its intersection with the QAMATA Traditional Authority boundary. Continue generally eastwards along the TA boundary, respectively traversing farms NTLONZI No.105 (through the KUNTLOENZE Sub-place) to intersect its south-eastern boundary and continue eastwards, to traverse farm QAMATA No.107 and then deviate south-westwards for a distance of 1.65 km to the penultimate beacon to the terminal of the eastern boundary of farm QAMATA POORT No.47. Then proceed respectively along its eastern boundary and the northern boundary of farm QAMATA POORT No.106, to a point thereon, that is approximately 1.27km west of the south-eastern beacon of farm QAMATA POORT No.47. Then proceed generally southwards along the TA boundary to join MAIN ROAD R61. Continue generally south-westwards along the R61 to a point on the northern boundary of farm QAMATA POORT No.106, that is approximately 800 metres from its north-western beacon. Then proceed generally south-eastwards along

the SAPS boundary (traversing farm QAMATAPOORT No.106) to its inner-western beacon. Proceed respectively along its western boundary and that of farm SIDUTYENI No.108 and FARM No.343 to its south-western beacon. Then proceed westwards along the SAPS boundary (traversing FARM No.117) to its penultimate north-western beacon. Continue respectively along its western and southern boundaries to its inner-south-western beacon. Then proceed southwards along the SAPS boundary (traversing FARM No.347) to the north-western beacon of FARM No.243. Proceed respectively along the southern boundary of FARM No.347 and the eastern boundaries of farms WOODVALE No.253 and FARM No.239 to its south-eastern beacon. Continue respectively along its southern boundary and that of FARM No.238 to its inner-south-western beacon. Then proceed along the SAPS boundary (traversing FARM No.364) to the north-western beacon of farm DEEPDELLS No.250. Continue respectively along the eastern boundary of farm DEEPDELLS ANNEX No.251, the eastern and southern boundaries of farm HENDERSON HEIGHTS No.252 and the eastern boundaries of farms ANTA No.342 and COVERSIDE No.341 to its south-eastern beacon. Proceed respectively along its southern boundary and that of farm BELLROCK No.261, the western boundary of farm BRAEMAER No.256, the southern and western boundaries of farm BONCHURCH No.257, the southern boundary of farm BONCHURCH No.346 and the eastern boundary of farm THORN GROVE No.17 to the north-eastern beacon of farm GLENFILLAN No.359. Continue respectively along its northern boundary, the eastern and northern boundaries of farm SPRINGFIELD No.29, the western boundary of farm BOTER FONTEIN No.19, the southern boundary of FARM No.21 and the southern boundary of farm TABLE FARM No.22 to its inner-south-western beacon. Then proceed along the SAPS boundary (traversing farm TABLE FARM No.22) to the south-eastern beacon of farm FLAGSTAFF VALE No.397. Proceed along its southern boundary to the north-eastern beacon of farm GUILFORD No.399. Then proceed along the Secondary Road (traversing the north-eastern section of farm GUILFORD No.399 to a point on its eastern boundary that is approximately 3.35 Km from its south-eastern beacon. Proceed respectively along the eastern boundaries of farms GUILFORD No.399 and FARM No.406 (eastern section), the southern boundaries of farms ANNEX MELROSE No.405 (southern section) and FARM No.406 (western section) and the eastern boundaries of farms GALLAWATER No.409 and LANGE DRAAI No.42 to its south-eastern beacon. Continue respectively along its southern boundary and the eastern boundary of farm WATERDOWN No.43 to its intersection with the KLIPPLAAT RIVER. Then proceed generally westwards along the river (traversing farm WATERDOWN No.43) to the intersection with its western boundary. Proceed respectively along the western boundary of farm CLAREMONT A No.45, the eastern and southern boundaries of farm ALLANWATER No.47, the eastern and southern boundaries of farm GRAFTON No.97, the western and southern boundaries of farm ELSTOW No.94 and the eastern boundary of farm GLENCAIRN No.102 to its south-eastern beacon. Continue respectively along the northern and western boundaries of farm MEADOW SWEET No.101, the

		<p>northern boundary of FARM No.114, the eastern boundaries of FARM No.21, FARM No.20, FARM No.1336 and farm GLENELG No.15 to its north-eastern beacon. Proceed respectively along the western boundaries of FARM No.423 and FARM No.422, the northern and western boundaries of FARM No.3 and the western boundary of farm PLEASANT VIEW EXTENSION No.2 to its south-western beacon. Proceed respectively along the northern boundaries of FARM No.1, FARM No.15 and FARM No.14 to its north-western beacon. Continue respectively along the eastern and southern boundaries of farm SUCCESS No.358 and the western boundary of farm SNOWDALE No.357 to its north-western beacon. Then proceed respectively along the southern boundaries of farm GREENLANDS No.219, FARM No.216, farm WINTERBERG SLOPES No.215, FARM No.210, farm THE HOEK No.205, farm VENTNOR OUTSPAN No.204, farm THE HOEK No.205, farm DELTON No.240, farm HARTEBEEST LEEGTE No.200 and QUAGGAS HOEK No.199 to its south-eastern beacon. Proceed respectively along its western boundary and that of farms PALMIET FONTYN No.198, NETTLE GROVE No.225 and ROCKLYN No.174 to its north-western beacon. Continue respectively along the southern boundary of FARM No.253, the southern and western boundaries of farms KLEIN FONTEIN No.163, RATELHOEK No.122 and FARM No.120 and the western boundary of FARM No.121 to its northern beacon. Proceed generally northwards along the western boundary of farm RATELHOEK No.122 to intersect the ELANDS River at its next western beacon and then proceed generally westwards (into the COMMANDO DRIFT NATURE RESERVE) along the northern edge of the catchment area (traversing farm BREEDLEEGTE No.109) to join the VLEKPOORT River. Proceed generally north-westwards along the river to intersect the western boundary of farm BREEDLEEGTE No.109. Continue respectively along its western boundary and the southern boundaries of farms ROBERTS KRAAL No.104, KLIPFONTEIN No.103, FARM No.137, FARM No.136, FARM No.137, FARM No.135, FARM No.134, FARM No.133 and FARM No.114 to its south-western beacon. Proceed respectively along its western boundary and the southern boundaries of FARM No.113, FARM No.112, FARM No.109 and farm SPEELMANSKOP No.22 to its south-western beacon. Continue respectively along its western boundary and that of FARM No.105, the southern boundaries of FARM No.104, FARM No.102 and FARM 101 and finally along its western boundary to its north-western beacon, which is the STARTING point.</p>
	<p>Emalahleni sub-district of Chris Hani magisterial district</p>	<p>STARTING from the north-west beacon of farm MURREL FOUNTAIN No.159, proceed respectively along its northern boundary, the western and northern boundaries of farm THYSFONTEIN No.143, the western and northern boundaries of farm PALMIET FONTEIN No.142, the northern boundary of farm JACKALS KOP No.140, the western and northern boundaries of farm MOORDENAARS HOEK No.139 and the northern boundary of farm COFFEE FONTEIN No.138. Continue respectively along the southern boundaries of farm ENDWELL No.113 and KIKVORSCH FONTEIN No.115, the western and southern boundaries of farm VLAKFONTEIN No.137</p>

and the eastern boundary of farm STRY POORT No.166 to its south-eastern beacon. Then proceed respectively along the northern boundaries of farms UMHLANGA LOCATION No.207, BRAK LEEGTE No.208, FARM No.273, BLAAUW KRANTZ No.131 and SPIONKOP No.130 to its north-eastern beacon. Continue respectively along its eastern boundary, the northern boundary of farm THE FLATS No.129 and the western, northern and eastern boundaries of farm KOORN HOEK No.214 and the southern boundaries of farms STIL FONTEIN No.215 and ROODE HOOGTE No.217 to its south-eastern beacon. Proceed respectively along the western boundaries of FARM No.949, farm ZUUR HOEK No.948, PETERS VALE No.774, STRYVLEIU No.773, MORESON No.578, XALANGA No.577, FARM No.85 and FARM No.1 to its north-western beacon. Continue along its northern boundary and respectively that of FARM No.2, farm ROOIPUNT No.1196, FARM No.4 and FARM No.5 to its north-eastern beacon. Then proceed along its eastern boundary and respectively that of FARM No.76, FARM No.75 and FARM No.74 to its south-eastern beacon. Proceed respectively along its southern and western boundaries, the southern boundary of FARM No.77, the northern boundary of FARM No.92, the eastern and southern boundaries of farm KILMENY No.496 and the southern boundaries of FARM No.500, farm ANNEX KERERE No.505 and farm LUCTOR No.506 to the north-eastern beacon of farm WONDERFONTEIN No.605. Proceed respectively along its eastern boundary and that of farms ROCKLANDS No.607 and MOUNT SHROSBREE No.610, then respectively along its southern boundary and that of FARM No.613 and FARM No.614 to its south-western beacon. Continue respectively along the eastern boundaries of farms LUCKILY No.647, CARLSRUHE No.660, RETREAT No.661 and IDA No.835 to its south-eastern beacon. Proceed along the northern and eastern boundaries of farm DE HOEK No.839 and respectively along the eastern boundaries of farms GOEDE HOOP No.861, TWEEFONTEIN No.862 and BLUEGUM No.863 to its south-eastern beacon. Continue respectively along its southern boundary and that of farms HARTLANDS EXTENSION No.864, VENTER'S MOED No.876, NOOTVERWACHT No.877, ZWARTFONTEIN No.882, UITVAL No.883, WELBEDACHT No.884, SMALPOORT No.885, PROSPECT No.929, LEEUW KOP No.930, BONNIE VALE No.933 and SUNNYSIDE No.934 to its south-western beacon. Then proceed generally south-westwards along the EMAQWATINI Traditional Authority boundary, through to the north-eastern beacon of farm SOLOMON No.31. Continue respectively along its northern and western boundaries to its south-western beacon. Proceed along the INDWE RIVER to the north-eastern beacon of FARM No.228. Then proceed respectively along its eastern boundary and that of FARM No.226 to its south-eastern beacon. Continue generally south-westwards along the INDWE RIVER to the north-eastern beacon of the farm BUMBANA No.29. Proceed respectively along its northern and western boundaries to its south-western beacon, thence along the INDWE RIVER to its south-eastern beacon. Continue along the river to the south-western beacon of FARM No.28 and then generally southwards (extensively) along the river (on the EMAQWATINI Traditional Authority boundary), traversing the north-western boundary of farm

		<p>SOUTHEYVILLE No.102 and continuing southwards along the river to respectively traverse the western and southern perimeter of the LUBISI DAM, traversing FARM No.90 to its north-eastern beacon. Proceed respectively along its eastern and southern boundaries and the eastern boundary of FARM No.95 to its south-eastern beacon. Continue extensively south-westwards along the HALA Traditional Authority boundary, through the KwaGcine Sub-place, to eventually join the WIT KEI River on the TA boundary, through the north-western beacon of FARM No.130. Proceed generally north-westwards along the river, to its confluence with the CACADU River. Continue along the WIT KEI River to the south-eastern beacon of FARM No.107 and proceed along its southern boundary to join the northern perimeter of the XONXA DAM. Proceed generally westwards along the perimeter to join the WIT KEI RIVER and continue south-westwards, then westwards along the HALA TA boundary to eventually intersect the eastern boundary of farm EVERTON No.158 at a point thereon, that is approximately 1.00 Km from its north-eastern beacon. Proceed respectively along its eastern boundary and that of farms GREENFOUNTAIN No.156 and FARM No.154, then respectively the southern and northern boundaries of farm PROSPECT No.152 to its north-western beacon. Continue (extensively) generally northwards along the NONESI Traditional Authority boundary to the south-eastern beacon of farm UYS No.260. Proceed respectively along its eastern boundary and that of farm BOTTERKOP No.201, then respectively along the southern and western boundaries of farm BIRDS RIVER No.175 to a point on its western boundary that is approximately 800 metres east of its western beacon. Proceed generally northwards on a stream (along the STERKSTROOM Sub-place), traversing farm MURREL FOUNTAIN No.159, to the south-eastern beacon of farm STAFELBERGS VLEY No.157 and finally along its eastern boundary to the north-eastern beacon of farm MURREL FOUNTAIN No.159, which is the <i>STARTING</i> point.</p>
	Engcobo sub-district of Chris Hani magisterial district	<p><i>STARTING</i> from the inner-north-western beacon of farm DRAAI FONTEIN No.1120, proceed respectively along its northern and eastern boundaries, the eastern boundaries of FARM No.1122, farm BEESTE KRAAL No.1123 to its south-eastern beacon. Continue along the northern extremity of the ELLIOT NU Sub-place (traversing farm AARDAPPELS RUST No.1125 to its south-western beacon). Then proceed respectively along the eastern boundaries of FARM No.1200 and farm ARDLUSSA No.1154; the southern boundaries of farms ESIKOBENI No.1155, GIERIGAAR No.1156 and ONRUST No.1157 to its south-eastern beacon. Continue along the middle of the SLANG RIVER (respectively traversing FARM No.1145 and the MALYENI Sub-place), then respectively along the southern boundaries of farms LORA No.1158, CRAIGNISH No.1159, KONINGS KROON No.1160 and WELBEKENT No.1162 to its south-eastern beacon. Proceed respectively along its eastern boundary and that of farm PASCUAL No.1140, then respectively along the western, southern and eastern boundaries of farm SALGAR No.1101 to its north-eastern beacon. Continue along the southern boundary of farm DU PLESSIS BANK No.1094, then along its eastern boundary and respectively that of FARM No.1038, FARM No.1039, FARM No.1037, FARM</p>

No.1036, farms VERKUIL No.1035, UNION No.1034 and DURMALL No.382 to the internal bend-point beacon on its southern boundary, then around the southern perimeter of the ELLIOT Sub-place to a point on the southern boundary of farm LARNE No.380 which is approximately 770 metres from its southern eastern beacon. Proceed respectively along its southern boundary and that of farms PIET RETREAT No.379, VASTRAP No.378, FRANCIS WON No.266, PRETORIUS RUST No.265 and WADELANDS No.234 to its south-east beacon. Continue respectively along the western boundaries of farms ORIBE DALE No.360, MBONSENI No.373 and NEKINA No.361 to its south-western beacon. Proceed respectively along the southern boundaries of farm MYOLO HEIGHTS No.362 and FARM No.366, the western and southern boundaries of farm MATUANA No.367 and the southern boundary of farm UMGA No.368 to its south-eastern beacon. Proceed generally southwards along the SINGQUMENI, JUMBA and BAZIYA Traditional Authority boundaries (respectively traversing the SAPS Area, FARM No.53 and the SAPS Area again). Continue generally southwards along the MBASHE RIVER, crossing MAIN ROAD R61 along the river and the BAZIYA Traditional Authority boundary until the confluence of the MBASHE and MGWALI Rivers. Proceed generally westwards along the MGWALI River and the MOSHI Traditional Authority boundary, departing from the river in generally a southwards direction along the HALA Traditional Authority boundary and then deviating generally south-westwards thereon, at the crossing of MAIN ROAD R408. Continue along the HALA TA boundary to the convergence point of the HALA, AMAHLUBI and GCUWA Traditional Authority areas. Proceed generally north-westwards along the GCUWA TA boundary to the south-eastern beacon of FARM No.63. Proceed along its eastern boundary and respectively that of FARM No.244, farm QITSI No.81, QWEBEQWEBE No.80 to its north-eastern beacon. Proceed respectively along its northern boundary and that of FARM No.255 to a point thereon, approximately 3,7 Km west of its north-eastern beacon. Proceed generally north-eastwards along the JUMBA Traditional Authority boundary to intersect the QUMANCO River. Then proceed generally south-westwards along the TA boundary respectively along the river and the southern, western and north-western boundaries of farm QUMANCO DRIFT No.7 and continuing therefrom, generally north-westwards along the TA boundary respectively to the north-eastern beacon of FARM No.68 and its northern boundary to its north-western beacon. Continue generally north-westwards along the KWE-GCINA Traditional Authority boundary to the eastern beacon of farm MBENGE No.18. Proceed along its eastern boundary to its north-eastern beacon. Proceed along the TA boundary to the north-western beacon of FARM No.10. Continue along its northern boundary to the south-western beacon of farm ZUUR LEEGTE No.1152. Proceed respectively along its western boundary, the southern and western boundaries of farm UMGWALANA No.1151, then joining the KWE-GCINA-XALA Traditional Authority boundary at the south-eastern boundary of farm NGQANQUUNDU No.39 and respectively traversing the eastern sectors of farms NGQANQUUNDU No.39, UMTENGWANA No.2 and CALA PASS No.19 to its north-eastern beacon at the intersection with the R410. Finally, continue

	Intsika Yethu sub-district of Chris Hani magisterial district	<p>along the TA boundary on the R410, traversing farm DRAAI FONTEIN No.1120 to its inner-north-western beacon, which is the STARTING point.</p> <p>STARTING at the north-western section of the map, from the point of intersection of the QAMATA Traditional Authority boundary and the INDWE RIVER, proceed generally eastwards along the QAMATA TA boundary to the north-western beacon of farm SOUTHEYVILLE No.102. Proceed along its northern boundary, then along the TA boundary and back to its northern boundary at its central northern beacon. Continue respectively along its northern and eastern boundaries, the northern boundary of FARM No.65, the north-western boundary of FARM No.98, the western and northern boundaries of farm MTINGWEVU No.97 and the northern boundary of FARM No.67 to its north-eastern beacon. Proceed respectively along the northern boundary of FARM No.55 and the western and northern boundaries of FARM No.68 to its north-eastern beacon. Continue generally south-eastwards along the JUMBA Traditional Authority boundary to the inner north-western beacon of farm QUMANCO DRIFT No.7. Proceed respectively along its north-western, western and southern boundaries to its south-eastern beacon. Continue extensively along the QUMANCO River to the point where the river intersects the JUMBA Traditional Authority boundary. Then proceed generally south-westwards along the TA boundary to intersect the northern boundary of FARM No.255 at a point which is approximately 3.7km west of its north-eastern beacon. Proceed respectively along its northern boundary and that of farm QWEBEQWEBE No.80 to its northern-eastern beacon. Then proceed respectively along its eastern boundary and that of farm QITSI No.81, FARM No.244 and FARM No.63 to its south-eastern beacon. Continue generally south-eastwards along the GCUWA TA boundary to intersect the AMAHLUBI TA boundary. Proceed generally south-westwards along the AMAHLUBI TA boundary until the MJULA Sub-place, then generally north-westwards along the AMABHELE TA boundary, mostly on the R409 route, until intersection with the TSOMO River. Proceed extensively along the TA boundary and the TSOMO River (generally southwards) until the TA boundary joins the AMAZI Traditional Authority boundary at the Secondary Road crossing. Continue generally southwards along the TA boundary and the TSOMO River, to depart from the river and proceed along the AMAZI TA boundary to the middle of the eastern boundary of FARM No.38 at the Great Kei River. Proceed generally north-westwards along the Great Kei River, respectively traversing the river-boundaries of FARM No.38, FARM No.37, FARM No.20, FARM No.19, FARM No.9, FARM No.8 FARM No.7 FARM No.2 FARM No.114 and farm KEILANDS No.116 to its south-western beacon. Then depart from the river and proceed respectively along the eastern boundaries of FARM No.245, farms STOCKDRIFT No.272 and HORSEFELL No.273 to its southern beacon. Proceed respectively along the western boundary of farm BUSKY DELL No.26 and the southern boundaries of farm BOMBAZAI No.274 and NORTH CLIFF No.275 to intersect the stream. Proceed generally southwards along the stream (traversing farm</p>
--	---	---

<p>RUNNYMEDE No.303) to the south-eastern beacon of farm DEERCHASE No.302. Proceed respectively along its southern boundary, the eastern, southern and western boundaries of farm BITTERNE No.301, the western boundary of farm UNDERCHURCH No.278, the northern boundary of farm REDCONE No.279 and the southern, western, northern and eastern boundaries of farm HENDERSON RESERVE No.264 to the north-western beacon of farm BROKEN SLOPES No.265. Continue respectively along its northern boundary and the western boundary of farm DEEPDELLS No.250 to its north-western beacon. Then proceed along the SAPS boundary (traversing FARM No.364) to the inner-south-western beacon of FARM No.238 and continue respectively along the northern and eastern boundaries of FARM No.364, the western, northern and eastern boundaries of FARM No.240 and the western, northern and eastern boundaries of FARM No.242 to the north-western beacon of FARM No.243. Proceed along the SAPS boundary (traversing FARM No.347) to the inner-south-western beacon of FARM No.117. Continue respectively along its southern and western boundaries to its penultimate north-western beacon, then along the SAPS boundary (traversing FARM No.117) to the south-western beacon of FARM No.343. Proceed respectively along its western boundary and that of farm SIDUTYENI No.108 and QAMATA POORT No.106 to its inner-western beacon. Then proceed along the SAPS boundary (traversing farm QAMATA POORT No.106) to a point on its northern boundary (at MAIN ROAD R61) that is approximately 800 metres from its north-western beacon. Continue along the R61 and rejoin the northern boundary of farm QAMATA POORT No.106 at a point thereon, that is approximately 1.27km west of the south-eastern beacon of farm QAMATA POORT No.47. Proceed respectively along the northern boundary of farm QAMATA POORT No.106 and the eastern boundary of farm QAMATA POORT No.47 to the penultimate beacon to its terminal. Proceed generally north-eastwards (traversing farm QAMATA No.107) along the QAMATA Traditional Authority boundary for approximately 1.65km, then deviate generally westwards thereon, to intersect the south-eastern boundary of farm NTLONZI No.105, thereafter traversing farm NTLONZI No.105 generally westwards through the KUNTLONZE Sub-place, to the point of intersection of the INDWE RIVER with its western boundary. Continue generally northwards along the INDWE RIVER, respectively co-incident with the western boundaries of farms NTLONZI No.105, LUBOLO No.103 and SOUTHEYVILLE No.102, to the south-western beacon of FARM No.44. Then proceed along its western boundary to the north-eastern beacon of FARM No.90. Thereafter proceed generally westwards then northwards, respectively along the southern and western perimeter of the LUBISI DAM, to traverse the north-western boundary of farm SOUTHEYVILLE No.102 and finally continue generally northwards along the INDWE RIVER to intersect the QAMATA Traditional Authority boundary, which is the STARTING point.</p>		
<p>STARTING from the north-western beacon of FARM No.63, proceed along its northern boundary and respectively that of FARM No.62 and FARM No.61 to its north-eastern beacon. Then proceed along the SAPS boundary (traversing farm UITZICHT No.3) to the south-western beacon of farm ELANDS KLOOF</p>	<p>Inxuba Yethemba sub-district of Chris Hani magisterial district</p>	

No. 135. Continue respectively along its southern boundary, the western boundaries of farm GRYSSE KOP No. 7 and FARM No. 4 to its north-western beacon. Proceed respectively along its northern and eastern boundaries, the northern and eastern boundaries of farm KOPIES KRAAL No. 6 and the northern boundary of farm TWEE FONTEIN No. 11 to its north-eastern beacon. Proceed generally north-eastwards along the SAPS boundary, respectively traversing FARM No. 13 and FARM No. 14 to a point on its northern boundary, that is approximately 1.165 Km east of its north-western beacon. Continue respectively along its northern boundary and that of FARM No. 15, FARM No. 17, farm SALPETER KRANS No. 18, FARM No. 339, FARM No. 340 and FARM No. 359 to the south-western beacon of FARM No. 24. Proceed along its western boundary and respectively along its northern boundary and that of FARM No. 27, farm HENNINGSFONTEIN No. 29 and FARM No. 28 to its north-eastern beacon. Continue respectively along its eastern boundary the northern boundaries of FARM No. 31 and FARM No. 32 to its north-eastern beacon. Proceed respectively along its eastern and southern boundaries, the eastern boundary of FARM No. 31 and the northern boundaries of farms KRIEGARS HOEK No. 43, DROOGE FONTEIN No. 42, FARM No. 33 and FARM No. 329 to its north-eastern beacon. Proceed respectively along its eastern boundary, the southern boundaries of FARM No. 34 and FARM No. 37 and the western boundary of FARM No. 133 to its southern beacon. Proceed along the eastern boundary of FARM No. 105 and continue generally southwards (from the south-western beacon of FARM No. 108) along the TEEBUS RIVER to its intersection with southern boundary of FARM No. 105. Continue respectively along its southern boundary and that of FARM No. 110 and the eastern boundaries of farms BEACONSFIELD No. 111 and THE KUUR to its south-eastern beacon. Proceed respectively along its southern boundary, the eastern boundary of FARM No. 195, the eastern and southern boundaries of FARM No. 198 and the southern boundary of FARM No. 201 to its south-western beacon. Then proceed respectively along the northern boundaries of FARM No. 332, farm ANNEX SOUTH DOORNBER No. 259, FARM No. 258, farms ANNEX GROEN KLOOF No. 19 and GROEN VALLEI No. 20 to its north-eastern beacon. Proceed respectively along its eastern boundary and that of ANNEX GROEN KLOOF No. 19 and farm HIGHLANDS No. 572 to the south-western beacon of farm SPES NOVA No. 23. Proceed respectively along its western and northern boundaries, the northern and eastern boundaries of FARM No. 111, the western and northern boundaries of farm MANROOS No. 34, the northern and eastern boundaries of farm PAARDE KRAAL No. 35 and the northern boundaries of farms SPRINGBOK VLEI No. 38 and FARM No. 43 to its north-eastern beacon. Continue respectively along the western and northern boundaries of FARM No. 41 and the northern boundaries of farms MODDER FONTEIN No. 46, VALE END EXTENSION No. 45 and RAAS FONTEIN No. 152 to its north-eastern beacon. Proceed along its eastern boundary to intersect the VLEKPOORT River. Proceed generally south-eastwards along the river (traversing farm BREEDLEEGTE No. 109), then generally eastwards along the northern edge of the catchment area to the beacon on the eastern boundary of farm BREEDLEEGTE

No. 109 at the ELANDS River. Proceed southwards along its eastern boundary, then respectively along the northern boundaries of farms PALING KLOOF No.323 and BEESHOEK No.326, its eastern boundary and that of FARM No.325 and the northern boundary of FARM No.328 to its north-eastern beacon. Proceed along its eastern boundary and respectively that of FARM No.329, FARM No.332 and FARM No.331, then respectively along its southern boundary and that of FARM No.332 to the north-eastern beacon of FARM No.511. Proceed respectively along the western boundary of farm CHEVIOT FELS No.20 and the northern boundary of FARM No.303 to its north-western beacon. Proceed westwards along the SAPS boundary, then respectively along the eastern and southern boundaries of farm JORDAANS KRAAL No.506, the southern boundaries of farms GELUK No.503 and STRYDFONTEIN No.512 and the eastern boundaries of farms BOSCH KLOOF No.558 and HATTINGS KRAAL No.560 to its south-eastern beacon. Proceed respectively along its southern boundary and that of farm BLAAUW HEUVEL No.562, then the eastern boundary of farm ROOIBERG No.565 to its south-eastern beacon. Continue respectively along its southern and western boundaries, the southern boundaries of farms PRINS HOEK No.564, BLOEMFONTEIN No.549 and FARM No.580 to its south-western beacon. Proceed respectively along its western boundary and that of farm BULLETTJES KRAAL No.533 and the southern boundaries of farms ANNEX PRESENT No.543, GROOT VLEI No.544, FARM No.541 and KORT KORT KLOOF No.545 to its north-western beacon. Proceed respectively along the western boundaries of FARM No.541 and farm ANNEX RIET POORT No.540, the southern and western boundaries of farm GROOTE VLAKTE No.536 and the southern boundaries of farms GROOTE HOEK No.450, GARSTLANDS KLOOF No.384, DROOGE KLOOF No.444, FARM No.448, farm KLIPFONTEIN No.445, ANNEX KLIPFONTEIN No.446, LANGBAKEN No.447, ZWARTFONTEIN No.441, MORGEN STER No.434 and GROOT KOM No.436 to its south-western beacon. Continue respectively along its western boundary and the southern boundaries of FARM No.608, farms RIET POORT No.430, VERGENOEG No.428 and PETRUSDAL No.425 to its south-western beacon. Proceed respectively along its western boundary, the western and northern boundaries of farm ZUUR KOP No.424, the western boundaries of FARM No.423, BLAAUWE KRANS No.261, BRAKHOEK No.262, BRONKHORSTFONTEIN No.258 and FARM No.257 and the southern boundary of farm EXCELSIOR No.255 to its south-western beacon. Continue respectively along its western boundary and respectively that of farm ELANDSFONTEIN No.254, FARM No.253, FARM No.319 and FARM No.318 to its north-western beacon. Proceed respectively along the southern boundary of farm SPRING PROPER FONTEIN No.315, the southern and western boundaries of FARM No.313, the southern and western boundaries of FARM No.312, the western boundary of Farm No.307, the southern and western boundaries of FARM No.305 and the southern and western boundaries of FARM No.304 to the south-eastern beacon of FARM No.303. Continue respectively along its southern boundary, the eastern and southern boundaries of FARM No.224, the southern boundaries of farms ANNEX LOER

		<p>POORT No.225 and ANNEX KNOFFELHOEK No.227 and the eastern, southern and western boundaries of farm ANNEX MODDERFONTEIN No.226 to its north-western beacon. Proceed respectively along the southern and western boundaries of FARM No.220, the southern and western boundaries of FARM No.149, the southern boundary of FARM No.148, the eastern and southern boundaries of farm OPPERMANS KRAAL No.147, the eastern, southern and western boundaries of farm KRUYGERS BAAKEN No.146, and finally the western boundaries of farm ALPHEN No.145, FARM No.64 and FARM No.63 to its north-western beacon, which is the STARTING point.</p>
	<p>Sakhisizwe sub-district of Chris Hani magisterial district</p>	<p>STARTING from the north-western beacon of FARM No.6, proceed respectively along its northern boundary and that of FARM No.7 and FARM No.8 to its north-eastern beacon. Proceed respectively along its eastern boundary, the northern boundaries of FARM No.9, FARM No.10, FARM No.11, FARM No.12, FARM No.13, FARM No.15, FARM No.16, FARM No.17, FARM No.1193, farms MOUNT ROSE No.20, MIDDELPUNT No.21, TEMBU VALE No.22, WOODLANDS No.23, WEST THORNTON No.26, SUNART No.31 and SPES BONA No.32 to its north-eastern beacon. Proceed respectively along the eastern boundary of farm MOOIDART No.145 and the western, northern and eastern boundaries of farm ENRWANAZANA RESERVE No.149 to the north-western beacon of farm GROENNEK No.150. Continue along its northern boundary and respectively that of farms GROENVLEI No.160, GROENHOEK No.167, RAGHERY No.171, CURRAN No.172, HEUNING NEST HOEK No.197 and VREDE No.198 to its north-eastern beacon. Proceed along its eastern boundary, then respectively along the northern boundaries of farm MARYDEALE No.201, FARM No.219, farms WELGEVONDEN No.220, AFGUNST No.221, KORT VLEI No.222 and MIDDELPLAATS No.223 to its north-eastern beacon. Continue respectively along its eastern boundary and that of farm FOUGHT FOUR No.225, the SAPS Area, farm ONGEGUND No.233 and WADELANDS No.234 to its south-eastern beacon. Proceed respectively along its southern boundary and that of farms PRETORIUS RUST No.265, FRANCIS WON No.266, VASTRAP No.378 and PIET RETREAT No.379 to its south-western beacon. Proceed along the southern boundary of farm LARNE No.380 for approximately 770 metres, then around the southern perimeter of the ELLIOT Sub-place to the internal bend-point beacon on the southern boundary of farm DURMALL No.382. Continue respectively along its southern boundary and that of farms UNION No.1034 and VERKUIJL No.1035, FARM No.1036, FARM No.1037, FARM No.1039, FARM No.1038, farm DU PLESSIS BANK No.1094 to its south-western beacon. Proceed respectively along the eastern, southern and western boundaries of farm SALGAR No.1101 to its north-western beacon. Continue respectively along the eastern boundaries of farms PASCUAL No.1140 and WELBEKENT No.1162 to its south-eastern beacon. Proceed respectively along its southern boundary and that of farms KONINGS KROON No.1160, CRAIGNISH No.1159, LORA No.1158, then along the middle of the SLANG RIVER (respectively traversing the MALYENI Sub-place</p>

and FARM No.1145) and along the eastern boundary of farm ONRUST No.1157 to its south-eastern beacon. Proceed respectively along its southern boundary and that of farm GIERIGAAR KASTEEL No.1156 to its south-western beacon. Proceed respectively along the eastern and southern boundaries of farm ESIKOBENI No.1155, then respectively along the western boundaries of farms KEVITS HOEK No.1148 and GELDT MAAKENS KLOOF No.1126 to its north-western beacon. Proceed along the northern extremity of the ELLIOT NU Sub-place (traversing farm AARDAPPELS RUST No.1125 to its south-western beacon) and then respectively along the western boundary of farm ZUUR MELK FONTEIN No.1124, the southern and western boundaries of farm SCHOONGEZICHT No.1119 and the southern boundaries of farm LEMOEN VLEY No.475 and FARM No.479, then deviating south-westwards (traversing farm DRAAI FONTEIN No.1120) along the KWE-GCINA-XALA Traditional Authority boundary on the R410, to the north-eastern beacon of farm CALA PASS No.19. Continue along the TA boundary (traversing the eastern sectors of farms CALA PASS No.19, UMTENGWANA No.2 and NGQANQUUNDU No.39), then joining the south-eastern boundary of farm NGQANQUUNDU No.39 to its south-eastern beacon. Continue respectively along the south-western boundary of farm UMGWALANA No.1151, the western boundary of farm ZUUR LEEGTE No.1152 and the north-western boundary of FARM No.10 to its western beacon. Then continue to proceed along the GQUTYINI TA boundary to the north-eastern beacon of farm MBENGE No.18 and along its north-eastern boundary to its eastern beacon. Continue generally south-eastwards along the JUMBA Traditional Authority boundary, to the north-western beacon of FARM No.68. Proceed respectively along its western boundary and that of FARM No.55 to the north-eastern beacon of FARM No.67. Proceed respectively along its northern boundary, the northern and western boundaries of farm MTINGWEVU No.97, the north-western boundary of FARM No.98, the northern boundary of FARM No.65 and the eastern and northern boundaries of farm SOUTHEYVILLE No.102 to its north-western beacon. Proceed generally westwards along the QAMATA Traditional Authority boundary to intersect the INDWE RIVER. Continue generally northwards along the INDWE RIVER (on the EMAQWATINI Traditional Authority boundary) to the south-western beacon of FARM No.28, then respectively along the river to the south-eastern beacon of farm BUMBANA No.29, thence along the river to its south-western beacon, then along its western and northern boundaries to its north-eastern beacon. Continue generally north-eastwards along the INDWE RIVER to the south-eastern beacon of FARM No.226. Proceed respectively along its eastern boundary and that of FARM No.228 to its north-eastern beacon. Proceed generally northwards along the INDWE River to the south-western beacon of farm SOLOMAN No.31. Proceed along its western and northern boundaries to its north-eastern beacon. Continue along the EQOLOMBENI Traditional Authority boundary to the south-eastern beacon of farm OVERTON No.953 Then proceed respectively along the southern boundaries of farms SUNNYSIDE No.934, BONNIE VALE No.933, LEEUW KOP No.930, PROSPECT No.929, SMALPOORT No.885,

Joe Gqabi Magisterial District	Sterksprui main seat of Joe Gqabi magisterial district	<p>WELBEDACHT No.884, UITVAL No.883, ZWARTFONTEIN No.882, NOOITVERWACHT No.877, VENTER'S MOED No.876, HARTLANDS EXTENSION and BLUEGUM No.863 to the south-western beacon of FARM No.859. Proceed respectively along its western boundary and that of farm KIPPERSOL No.860 to its north-western beacon. Continue respectively along the southern, western and northern boundaries of farm MOORES VALE No.840 and the northern boundary of FARM No.841 to its north-eastern beacon. Proceed along the western boundary of farm SPITZKOP No.608, then respectively along its northern boundary and that of FARM No.499, FARM No.498, FARM No.497, FARM No.495 and FARM No.494 to its north-eastern beacon. Continue respectively along the western boundary of FARM No.493, the western, northern and eastern boundaries of FARM No.93, the northern boundary of FARM No.73, the southern and western boundaries of FARM No.72 and finally the western boundary of FARM No.6 to its north-western beacon, which is the STARTING point.</p>
		<p>STARTING from the north-western beacon of farm RUIGTE VLEI No.392, proceed along its northern boundary and respectively that of farms BURGHEY HILLS No.395 and BRAK RIDGE No.394 to its north-eastern beacon. Proceed respectively along the western and northern boundaries of FARM No.719 to join the SAPS boundary after its first terminal northern beacon. Proceed generally northwards, then south-eastwards along the SAPS boundary to the north-western beacon of farm ROOY RUG No.400. Proceed along its northern boundary, then generally north-eastwards along the SAPS boundary to join Main Road R368. Proceed generally eastwards along the R368 to join the river at the NOOITGEDACHT Road intersection. Proceed generally south-eastwards along the river, through the Salt Pan, intersecting BETHELSDORP ROAD and continuing generally south-eastwards along the SAPS boundary to join the Railway Line. Then cross the N2 and join STANFORD Road to proceed generally northwards along KEMPSTON Road and continue along the GRAHAMSTOWN Road until the Railway Crossing. Then proceed generally eastwards along JOHN TALLANT Road (M3) to the Low Water Mark. Proceed generally southwards along the Low Water Mark, deviating generally south-eastwards at the Harbour and continuing along the Low Water Mark, passing SUMMERSTRAND and the eastern edge of CAPE RECIFE. Continue generally westwards along the Low Water Mark, respectively adjacent to the southern edge of the CAPE RECIFE NATURE RESERVE, MARINE DRIVE (M4), the southern edge of the SARDINIA BAY NATURE RESERVE and the SYLVIC NATURE RESERVE to the south-eastern beacon of farm BUSHY PARK No.26. Proceed along its southern boundary on the LWM, to its south-western beacon. Continue respectively along the southern boundary of FARM No.28 (east) on the LWM, the SAPS boundary on the LWM, the southern boundary of FARM No.28 (central) on the LWM, the SAPS boundary on the LWM, the southern boundary of FARM No.28 (west) on the LWM, the SAPS boundary on the LWM, the southern boundary (on the LWM) of farm BEACH VIEW No.487, the southern boundary (on the LWM) of farm</p>

		<p>MAITLAND MINES No.478, the SAPS boundary on the LWM, the southern boundary (on the LWM) of FARM No.477 to its south-western beacon. Proceed west along the SAPS boundary on the LWM to the river mouth. Proceed generally northwards along the river to traverse FARM No.493 (keeping west of VAN STADENS ROAD) and proceed to the outer-south-eastern beacon of farm YELLOWWOODS No.642. Continue respectively along the western boundaries of FARM No.493 (eastern section) and FARM No.678, the southern and western boundaries of farm WOODRIDGE No.628, the western boundaries of FARM No.458, FARM No.462, FARM No.464, FARM No.463 and farm VAN STADENS RIVER EAST No.419, the southern boundaries of FARM No.422 and FARM No.421 to its south-western beacon. Proceed generally north-eastwards along the SAPS boundary, to a point on the southern boundary of farm BOSCHFONTEIN No.390, that is approximately 520metres west of the north-western beacon of FARM No.421. Continue west along its southern boundary to the river, then internally within its south-western corner (so as to exclude it) to the intersection of its western boundary with the river, to then proceed respectively along its western boundary and that of farm RUIGTE VLEI No.392 to its north-western beacon, which is the STARTING point.</p>
	<p>Elundini sub-district of Joe Gqabi magisterial district</p>	<p>STARTING from the north-western corner beacon of farm KUEBUNG No.53, proceed respectively along its northern boundary and the southern boundary of Farm THABA CHICHA No.52 to its south-eastern beacon. Proceed generally due east along the BAKOENA Traditional Authority boundary and along the MORULANE RIVER on the SAPS boundary, traversing Farm SEQOBONG No.54, to intersect its inner-eastern boundary and proceed south-eastwards along its inner-eastern boundary for approximately 2.55 Km. Then proceed southwards (still along the BAKOENA TA boundary), traversing farm SEQOBONG No.54, to the north-western beacon of FARM No.81. Proceed along its northern boundary for approximately 2.9 Km, then due north (traversing farm SEQOBONG No.54) along the BAKOENA TA boundary, for approximately 1.7 Km, then north-eastwards to intersect its outer-eastern boundary at a point approximately 1.33km from its outer-north-eastern corner beacon. Proceed respectively along its eastern boundary and the southern boundary of farm QHOBOSHEANENG No.49 to its south-eastern corner beacon. Continue along the KINIRA RIVER route, respectively along the western boundaries of FARM No.7 (across the R56 Main Road) and FARM No.8, deviating south-westwards along the SAPS Boundary at the south-western sector of FARM No.8 boundary, to join the Secondary Road at Mt Fletcher. Proceed generally north-eastwards along the Secondary Road, traversing FARM No.31, then deviate generally south-westwards (parallel to the R56) traversing the Matolweni Commonage, to eventually rejoin the Secondary Road at Mt Fletcher. Proceed generally westwards along the Secondary Road and then deviate generally south-westwards on the approach to the R56, to traverse the Khotlong Commonage enroute. Continue south-westwards until the Santini Commonage and then deviate generally westwards,</p>

to join the **R56**. Proceed generally southwards along the **R56** (traversing **FARM No.76**), until the north-eastern beacon of **FARM No.48** (northern section). Then proceed generally south-eastwards along the **SAPS Boundary** (traversing **FARM No.72** and **FARM No.73**), extensively on the **AMAHLUBI** Traditional Authority boundary, until the point of intersection of the **AMAHLUBI** and **MAKAULA** Traditional Authority areas at the north-western beacon of **FARM No.306**. Continue respectively along the western boundaries of **FARM No.306** and **FARM No.94** on the **AMAHLUBI** Traditional Authority boundary, then departing from the western boundary of **FARM No.94** on joining the **MAKAULA** Traditional Authority boundary (traversing **FARM No.94**) until it joins the **TINA RIVER** on intersection with the eastern boundary of **FARM No.80**, approximately 1.15 Km from its north-eastern beacon, at the start of the **HLUBI** Traditional Authority boundary. Proceed generally southwards along the **SAPS / HLUBI** Traditional Authority boundary (traversing **FARM No.80**) until the north-western corner beacon of farm **ETWA PLANTATION No.47**. Proceed along its western boundary to its south-western corner beacon and continue generally southwards along the **SAPS / HLUBI** Traditional Authority boundary, traversing **FARM No.48** (southern section) and joining the **SAPS / NORTHERN PONDOMISE** Traditional boundary. Proceed generally southwards along this boundary (co-incident with the **SAPS Boundary**) until intersection with the eastern boundary of farm **THE FALLS No.138**, approximately 950metres from its north-eastern beacon. Proceed respectively along its eastern boundary and that of farm **TSITSA No.139**, to its south-eastern corner beacon. Continue generally eastwards along the **SAPS / NGCELE** Traditional Authority boundary and along the course of the **ITSITSA River**, until this river joins and follows the course of the **INXU River**. Proceed along this course, respectively along the northern boundaries of **FARM No.119**, **FARM No.120** and **FARM No.117**. Then proceed along the western boundary of **FARM No.117** to its south-western corner beacon. Continue generally westwards along the **SAPS / ASENTSHONALANGA** and **AMAZI** Traditional Authority Boundary on the course of the **INXU River**, and then generally southwards along a tributary of the river (as **FARM No.88** is passed) at the **EMAQA / KAMBANI** Traditional Authority Boundary in the **DALIBANGO** area. Continue generally southwards along the river course and the **SAPS Boundary** on the **AMAZI** and **EMAQA / KAMBANI** Traditional Authority Boundary, then deviate from the river course along **MATOLANDILE / ZIMELELANDILE** Traditional Authority Boundary and the **KWAQALA, MBINJA** and **LUTUTU** and **KUMANGUNKONE** areas, to intersect the **SINGQUMENI** Traditional Authority Boundary at the south-eastern corner beacon of farm **UMGA HEAD No.368**. Proceed respectively along its southern boundary and that of **FARM No.367**, **FARM No.366**, farm **MYOLO HEIGHTS No.362**, to its south-western corner beacon. Continue respectively along the western boundaries of **FARM No.361**, farm **MBONSENI No.373**, **FARM No.360**, farm **UMGANA No.351** and farm **EVIAN No.349** to the south-eastern corner beacon of farm **MURCHISON No.350**. Proceed respectively along its southern boundary and that of farms **MAIDENHEAD No.333**, **DELEMONT No.332** and **PALMERSTON No.331** to its south-

		<p>western corner beacon. Proceed respectively along its western boundary and the southern boundary of farm BUSTARD VALE No.326, to the north-eastern corner beacon of farm ROETS VALE No.330. Proceed respectively along its eastern and southern boundaries and the southern boundary of farm ROMANEL No.329 to its south-western corner beacon. Proceed respectively along the western boundary of farm ODAIRN No.328 and the southern and western boundaries of farm MALOJA No.299 to its north-western corner beacon. Continue respectively along the southern, western and northern boundaries of farm KATHLAMBA No.297 to its north-eastern corner beacon. Then proceed respectively along the western boundaries of farms MOUNT ENTERPRISE No.296, SNOWSIDE No.250, MOOIRIVIER HEAD No.198, MOUNT HOPE No.197, ROCKY DELL No.159, PONDO GATES No.158, BEN FARRADAY No.122, BEN LYELL No.121, FARM No.376, farms MOUNTAIN SIDE No.76, AURORA PEAK No.55, WETTERHORN No.54, MOUNT HUXLEY No.53, BERNINA No.43 and NEWTON PEAK No.26 to its north-western corner beacon. Proceed along the southern boundary of FARM No.25 and then respectively along its western boundary and that of farms GLENCOE No.24, GLYN LYNDEN No.23 and LEHANA'S PASS No.1 to its north-western corner beacon. Proceed respectively along the eastern and northern boundaries of farm TENAHEAD No.24 and then generally northwards along the SAPS / western AMAHLUBI Traditional Authority boundary (adjacent to the RSA / LESOTHO International Boundary) to the south-western corner beacon of FARM No.46. Continue along its western boundary and the western AMAHLUBI Traditional Authority boundary (adjacent to the RSA / LESOTHO International Boundary) to the south-western corner beacon of FARM No.48. Continue respectively along its western boundary and that of FARM No.53 and the AMAHLUBI Traditional Authority boundary (adjacent to the RSA / LESOTHO International Boundary), to the north-western corner beacon of farm KUEBUNG No.53, which is the STARTING point.</p>
	<p>Walter Sisulu sub-district of Joe Gqabi magisterial district</p>	<p>STARTING from the north-western beacon of farm ZAAYFONTEIN No.80, proceed along the eastern boundary (co-incident with Northern and Eastern Cape Provincial Boundary) of farm DAPPERFONTEIN No.79, to a point thereon, that is approximately 15metres from its north-eastern beacon. Then proceed generally northwards along the Provincial Boundary (traversing farm DAPPERFONTEIN No.79) to the point of convergence of the Provincial boundaries of the of Eastern Cape, Northern Cape and the Free State. Proceed generally southwards along the Eastern Cape / FREE State Provincial Boundary to the north-eastern beacon of farm DAPPERFONTEIN No.79. Continue on the FREE STATE / EASTERN CAPE Provincial Boundary, respectively traversing farms WASCHBANK No.274 (western section), H-F VERWOERDDAM No.523, WASCHBANK No.274 (eastern section), GOODHOPE No.315, GRAMPIAN HILLS No.522, FARM No.190, farm EENZAAMHEID No.106, farm BOSDUIFKLOOF N.522, farm EENZAAMHEID No.106, GOODLANDS No.83, KARREEBOOM No.516, SAPS Boundary, the eastern boundary of farm PANDAM No.515, the southern boundary of farm DAMIFONTEIN No.518, farm</p>

BETHULIE No.303, farm BOSHISMANSPOORT NO.10, BORDERLANDS No.242, WINTERHOEK No.514, DAMFONTEIN No.341 and GROOT RIVIER No.445 to its south-eastern beacon. Proceed respectively along the northern boundaries of FARM No.256, FARM No.1250 and farm HONING KRANS No.26, the northern and eastern boundaries of farm PAARDEN LEEGTE No.29, the northern boundaries of farms BAD SPRUIT A No.2 (west), BADSPRUIT No.4, BAD SPRUIT A No.2 (east), BAD SPRUIT No.5, KRAAI POORT No.7 and PONT PLACE No.8, FARM No.9 and FARM No.10, the northern and eastern boundaries of farm AKERMANS KRAAL No.11, the northern boundaries of farm MELKS SPRUIT No.12, FARM No.60, farms MEER KRAAL No.16, BANK FONTEIN No.17 and LUSTHOF No.18 to its north-eastern beacon. Continue respectively along its eastern boundary, the northern and eastern boundaries of farm DRIE HOEK No.53, , the northern boundary of the LADY GREY Sub Place (traversing farm FRANCINA No.52), the eastern boundaries of farms FRANCINA No.52 and NAUDES FONTEIN No.54, the northern, eastern and southern boundaries of farm ROODE WAL No.96, the southern boundary of farm KLIPPE SPRUIT No.93, the northern and eastern boundaries of farms WELTEVREDE No.117, ZUUR VLAKTE No.121 and WINDVOGEL SPRUIT No.128, the eastern boundary of farm GOEDE HOOP No.182, the northern and eastern boundaries of farm PATRYS HEUVEL No.183, the northern, eastern and southern boundaries of farm GROOT KRAAL No.23 and the eastern boundary of farm RHEEDERS KOP No.52 to the northern beacon of FARM No.50. Proceed respectively along its eastern boundary, the eastern and southern boundaries of farms PROSPECT No.49 and VAN DER MERWES FONTEIN No.62, the southern boundary of farm PRONKS BERG No.60, the eastern boundary of farm ALLEMANS RUIGTE No.101, the southern boundaries of farms SALPETERKOP No.102 and ALLEMANS POORT No.103 and the eastern boundaries of FARM No.104, farms FRERE DELL No.108, BUFFELS FONTEIN No.150, KLIP KRAAL No.151 and DROOGE FONTEIN No.155 to its south-eastern beacon. Proceed respectively along its southern boundary and that of farm CHEVY CHASE HILL No.154, the southern, western and northern boundaries of farm NOOITGEDACHT No.152, the western boundary of farm BUFFELS FONTEIN No.150, the western and northern boundaries FARM No.105, the western boundaries of farms FRERE DELL No.108, PISA No.107, ALLEMANS POORT No.103, ROODE HOOGTE No.58 and MOOIGELEGEN No.57 to its north-western beacon. Continue respectively along the southern boundary of farm STREEPFONTEIN No.237, the eastern and southern boundaries of farm STIRY POORT No.238, the eastern, southern and western boundaries of farm ZWART FONTEIN No.239, the southern boundary of farm ROODE HOEK No.242, the southern and western boundaries of FARM No.5, the southern boundaries of farms WILGE FONTEIN No.226, WELGEVONDEN No.287 and GOEDE HOOP No.225, the western boundaries of farms THE GLEN No.243 and VISCH FONTEIN No.224 and the northern boundary of farm WELTEVREDE No.222 to a point thereon that is approximately 1250metres west of the south-western beacon of farm VISCH FONTEIN No.224. Then traverse farm WELTEVREDE No.222 generally

		<p>south-westwards along the Molteno Sub-place boundary to a point on the eastward linear extension of the eastern boundary of farm STOCKDALE No.282, that is approximately 710metres east of its south-eastern beacon. Proceed respectively to its south-eastern beacon, its eastern boundary, the southern boundaries of farms DROOGE VLAKTE OUTSPAN No.216 and DROOGEVLAKTE No.215, the eastern and southern boundaries of farm WONDER BOOM No.246, the southern boundaries of FARM No.101, FARM No.107, FARM No.106 and FARM No.104 to its south-western beacon. Continue respectively along the eastern boundaries of FARM No.109 and FARM No.111, the eastern and southern boundaries of FARM No.112 (north), the eastern boundary of FARM No.112 (south), the eastern and southern boundaries of FARM No.119 and FARM No.116, the southern boundaries of FARM No.147 (east), FARM No.127, FARM No.147 (west), the eastern and southern boundaries of FARM No.139 and the eastern, southern and western boundaries of FARM No.129 to its north-western beacon. Proceed respectively along the southern and western boundaries of FARM No.131, the eastern boundary of FARM No.132, the eastern and southern boundaries of FARM No.107 and the southern boundary of FARM No.132 to its south-western beacon. Continue respectively along the western boundaries of FARM No.133 and farm VAN VUURENS KRAAL No.84, the eastern, southern and western boundaries of FARM No.83, the southern and western boundaries of FARM No.82, the southern boundary of FARM No.143, the eastern boundary of FARM No.35, the eastern and southern boundaries of FARM No.38, the western boundaries of FARM No.35 and FARM No.37 and the southern boundary of FARM No.31 to its south-western beacon. Proceed respectively along the southern, western and northern boundaries of FARM No.34, the western boundaries of FARM No.32, FARM No.144, FARM No.33, FARM No.6 and FARM No.5, the southern and western boundaries of farm BOSJESMANS POORT No.153, the western boundary of FARM No.194 and the southern boundary of farm KLIPKRAAL No.128 to its south-western beacon. Proceed generally north-eastwards along the western boundaries of the COLESBERG and VENTERSTAD Sub-places (respectively traversing farms DRIEFONTEIN No.130 and KLIPKRANS No.188 to the outer-western beacon of farm ROODE WAL No.126. Continue respectively along its western boundary, the southern and western boundaries of farm BULTFONTEIN No.124, the western boundary of farm MIEREFONTEIN No.88, the southern and western boundaries of the VENTERSTAD / COLESBERG Sub-place, the western boundary of farm KNYPFONTEIN No.89 and finally the western boundary of farm ZAAYFONTEIN No.80 to its north-western beacon, which is the STARTING point.</p>
<p>Nelson Mandela Magisterial District</p>	<p>Gqeberha main seat of Nelson Mandela magisterial district</p>	<p>STARTING from the north-western beacon of farm RUIGTE VLEI No.392, proceed along its northern boundary and respectively that of farms BURGHEY HILLS No.395 and BRAK RIDGE No.394 to its north-eastern beacon. Proceed respectively along the western and northern boundaries of FARM No.719 to join the SAPS boundary after its first terminal northern beacon. Proceed generally northwards, then south-eastwards along the SAPS boundary to the north-western beacon of farm ROOY RUG No.400. Proceed</p>

along its northern boundary, then generally north-eastwards along the SAPS boundary to join Main Road R368. Proceed generally eastwards along the R368 to join the river at the NOOITGEDACHT Road intersection. Proceed generally south-eastwards along the river, through the Salt Pan, intersecting BETHELSDORP ROAD and continuing generally south-eastwards along the SAPS boundary to join the Railway Line. Then cross the N2 and join STANFORD Road to proceed generally northwards along KEMPSTON Road and continue along the GRAHAMSTOWN Road until the Railway Crossing. Then proceed generally eastwards along JOHN TALLANT Road (M3) to the Low Water Mark. Proceed generally southwards along the Low Water Mark, deviating generally south-eastwards at the Harbour and continuing along the Low Water Mark, passing SUMMERSTRAND and the eastern edge of CAPE RECIFE. Continue generally westwards along the Low Water Mark, respectively adjacent to the southern edge of the CAPE RECIFE NATURE RESERVE, MARINE DRIVE (M4), the southern edge of the SARDINIA BAY NATURE RESERVE and the SYLVIC NATURE RESERVE to the south-eastern beacon of farm BUSHY PARK No.26. Proceed along its southern boundary on the LWM, to its south-western beacon. Continue respectively along the southern boundary of FARM No.28 (east) on the LWM, the SAPS boundary on the LWM, the southern boundary of FARM No.28 (central) on the LWM, the SAPS boundary on the LWM, the southern boundary of FARM No.28 (west) on the LWM, the SAPS boundary on the LWM, the southern boundary (on the LWM) of farm BEACH VIEW No.487, the southern boundary (on the LWM) of farm MAITLAND MINES No.478, the SAPS boundary on the LWM, the southern boundary (on the LWM) of FARM No.477 to its south-western beacon. Proceed west along the SAPS boundary on the LWM to the river mouth. Proceed generally northwards along the river to traverse FARM No.493 (keeping west of VAN STADENS ROAD) and proceed to the outer-south-eastern beacon of farm YELLOWWOODS No.642. Continue respectively along the western boundaries of FARM No.493 (eastern section) and FARM No.678, the southern and western boundaries of farm WOODRIDGE No.628, the western boundaries of FARM No.458, FARM No.462, FARM No.464, FARM No.463 and farm VAN STADENS RIVER EAST No.419, the southern boundaries of FARM No.422 and FARM N o.421 to its south-western beacon. Proceed generally north-eastwards along the SAPS boundary, to a point on the southern boundary of farm BOSCHFONTEIN No.390, that is approximately 520metres west of the north-western beacon of FARM No.421. Continue west along its southern boundary to the river, then internally within its south-western corner (so as to exclude it) to the intersection of its western boundary with the river, to then proceed respectively along its western boundary and that of farm RUIGTE VLEI No.392 to its north-western beacon, which is the **STARTING** point.

Kariega sub-district of Nelson Mandela magisterial district	<p>STARTING from the north-west beacon of farm HAARHOFFS KRAAL No.180, proceed respectively along its northern boundary and that of FARM No.185, farm GRASSRIDGE No.187 and the northern and eastern boundaries of farm GRINGLY No.188 to its south-eastern beacon. Continue eastwards along the Secondary Road, traversing FARM No.715, then respectively along the northern and eastern boundaries of farm GRASSRIDGE No.190, the eastern boundary of farm AMANZI ANNEX No.229, the northern boundary of farm MOOI WATER No.296, the northern and eastern boundaries of farm POPENKUILS VLEY No.299, the northern, eastern and southern boundaries of farm KLEIN GRAS RUG No.317 to its south-western beacon. Proceed respectively along the eastern boundary of FARM No.321, the northern and eastern boundaries of FARM No.567 and farm SUNDRIDGE No.561, traversing the western strip of FARM No.33, the eastern and southern boundaries of FARM No.585, to a point on its southern boundary that is approximately 250metres from its south-western beacon. Proceed generally southwards along the link-road between the R367 and the R75, to intersect the southern boundary of FARM No.586. Continue north-westwards along the southern boundary of FARM No.586. Then proceed respectively along the northern and western boundaries of FARM No.719, the northern boundaries of farms BRAK RIDGE No.394, BURGHEY HILLS No.395 and RUIGTE VLLEI No.392 to the south-western beacon of FARM No.389. Proceed respectively along its western boundary and that of farm WINCANTON ESTATE No.333, FARM No.722 and FARM KRUIS RIVIER No.337, the southern and western boundaries of farm DE BRANDT No.338, the eastern boundary of farm SPRINGFIELD No.339, the southern and western boundaries of farms GLENCRAIG No.341 and MATHEWS PLACE No.342 to its north-western beacon. Continue respectively along the eastern, southern, western, northern and eastern boundaries of farm GROENDAL No.343 to the north-western beacon of farm MATHEWS PLACE No.342. Proceed respectively along its northern and eastern boundaries, the northern boundaries of farms GLENCRAIG No.341 and SPRINGFIELD No.339, the eastern boundary of FARM No.349, the western boundary of farm NEW HILL No.284, the southern and western boundaries of farm HILL PLACE N.286, the western and northern boundaries of FARM No.236 to the south-western beacon of farm PAARDE KOP No.235. Finally, proceed respectively along its western boundary, and the southern and western boundaries of farm HAARHOFFS KRAAL No.180 to its south-western beacon, which is the STARTING point.</p>
Motherwell sub-district of Nelson Mandela magisterial district	<p>STARTING from the north-western beacon of farm COEGA KAMMAS KLOOF No.191, proceed along its northern boundary and continue (traversing FARM No.716) the north-western beacon of FARM No.717. Proceed southwards along the SAPS boundary (traversing FARM No.717), online to the eastern boundary of farm COEGA KAMMAS KLOOF No.191 COEGA KAMMAS KLOOF No.191, to a point on that boundary, which is approximately 200metres south of its north-eastern beacon. Then proceed along the SAPS boundary, traversing FARM No.717 online to the north-western beacon of FARM No.627. Proceed respectively along the northern boundary of FARM No.627 and the western boundary of farm BARKLY</p>

BRIDGE SCHOOL LOT No.194 (eastern section) to the mid-northern beacon of farm BARKLY BRIDGE SCHOOL LOT No.194 (western section). Proceed west along the SAPS boundary, then northwards traversing FARM No.634, online with the eastern boundary of farm T' ZOETGENEUGD No.192, to the north-western beacon of the panhandle boundary of FARM No.634. Continue respectively along the northern boundary of the panhandle of FARM No.634, the northern boundary of farm BARKLY BRIDGE SCHOOL LOT No.194 (eastern section), the southern boundary of farm THE PENHURST RAILWAY RESERVE No.133, the southern boundary of FARM No.644 and the western boundaries of FARM No.676, farm KLEIN VETMAAK VLAKTE No.193 and farm HARVEYTON No.197 to its south-western beacon. Proceed along the northern edge of the Railway Reserve, deviating to the north-western beacon of farm LOGAN BRAES No.203. Continue along its northern boundary to the south-eastern beacon of farm HARVEYTON No.197 and proceed generally south-eastwards, respectively along the SONDAGS RIVER and the north-eastern boundary of farm LOGAN BRAES No.203 to the north-western beacon of FARM No.643. Then proceed along its northern boundary and respectively that of FARM No.308 and farm SCHELM HOEK No.311 to its north-eastern beacon and proceed northwards along the Colchester Secondary Road, respectively along the eastern boundary of farm INGLESIDE No.215, the southern boundary of farm OLIPHANTS PLAAT No.214, the eastern and southern boundaries of farm VETMAAK VLAKTE No.312 to its south-western beacon. Proceed generally south-westwards along the SAPS boundary, on a linear extension of the southern boundary of farm VETMAAK VLAKTE No.312, to its intersection with a line between the south-western beacon of FARM No.308 and the south-eastern beacon of farm SCHELM HOEK No.311, such intersection being approximately 160metres east of the south-eastern beacon of farm SCHELM HOEK No.311. Continue generally south-westwards, respectively along the SAPS boundary, the southern boundaries of farm SCHELM HOEK No.311 and FARM No.308 to its south-western beacon. Proceed generally south-westwards along the Low Water Mark throughout, until the northern edge of the road reserve of JOHN TALLANT ROAD (M3). Then proceed generally westwards along the northern edge of the M3 until its intersection with the eastern edge of the Railway Reserve. Proceed generally north-westwards along the eastern edge of the Railway Reserve until the intersection with the northern edge of the M10 Road Reserve. Proceed along the SAPS Boundary to the northern beacon of FARM No.33 (southern section), then along its northern boundary to its western beacon and continue along the southern edge of the Railway Reserve to the intersection with DIBANISA MAIN ROAD (M7). Continue generally north-eastwards along the M7, traversing FARM No.33 and deviating generally westwards along the SWARTKOPS RIVER (within FARM No.33) to the south-eastern beacon of farm SUNDRIDGE No.569. Proceed respectively along its southern and western boundaries, the western boundary of FARM No.566, the southern, western and northern boundaries of FARM No.434, the western boundary of farm COEGAS KOP No.316, the southern and western boundaries of farms

		<p>WELBEDACHTSFONTEIN No.300 and GRASSRIDGE No.228 and finally the western boundaries of farms GRASSRIDGE No.227 and COEGA KAMMAS KLOOF No.191 to its north-western beacon, which is the STARTING point.</p>
	<p>New Brighton sub-district of Nelson Mandela magisterial district</p>	<p>STARTING from the north-west beacon of farm HAARHOFFS KRAAL No.180, proceed respectively along its northern boundary and that of FARM No.185, farm GRASSRIDGE No.187 and the northern and eastern boundaries of farm GRINGLY No.188 to its south-eastern beacon. Continue eastwards along the Secondary Road, traversing FARM No.715, then respectively along the northern and eastern boundaries of farm GRASSRIDGE No.190, the eastern boundary of farm AMANZI ANNEX No.229, the northern boundary of farm MOOI WATER No.296, the northern and eastern boundaries of farm PAPERKUILS VLEY No.299, the northern, eastern and southern boundaries of farm KLEIN GRAS RUG No.317 to its south-western beacon. Proceed respectively along the eastern boundary of FARM No.321, the northern and eastern boundaries of FARM No.567 and farm SUNDRIDGE No.561, traversing the western strip of FARM No.33, the eastern and southern boundaries of FARM No.585, to a point on its southern boundary that is approximately 250metres from its south-western beacon. Proceed generally southwards along the link-road between the R367 and the R75, to intersect the southern boundary of FARM No.586. Continue north-westwards along the southern boundary of FARM No.586 Then proceed respectively along the northern and western boundaries of FARM No.719, the northern boundaries of farms BRAK RIDGE No.394, BURGHEY HILLS No.395 and RUIGTE VLEI No.392 to the south-western beacon of FARM No.389. Proceed respectively along its western boundary and that of farm WINCANTON ESTATE No.333, FARM No.722 and FARM KRUIS RIVIER No.337, the southern and western boundaries of farm DE BRANDT No.338, the eastern boundary of farm SPRINGFIELD No.339, the southern and western boundaries of farms GLENCRAIG No.341 and MATHEWS PLACE No.342 to its north-western beacon. Continue respectively along the eastern, southern, western, northern and eastern boundaries of farm GROENDAL No.343 to the north-western beacon of farm MATHEWS PLACE No.342. Proceed respectively along its northern and eastern boundaries, the northern boundaries of farms GLENCRAIG No.341 and SPRINGFIELD No.339, the eastern boundary of FARM No.349, the western boundary of farm NEW HILL No.284, the southern and western boundaries of farm HILL PLACE N.286, the western and northern boundaries of FARM No.236 to the south-western beacon of farm PAARDE KOP No.235. Finally, proceed respectively along its western boundary, and the southern and western boundaries of farm HAARHOFFS KRAAL No.180 to its south-western beacon, which is the STARTING point.</p>
<p>OT Tambo Magisterial District</p>	<p>Mfutha main seat of OR Tambo magisterial district</p>	<p>STARTING from the south-western beacon of FARM No.419, proceed generally southwards along the JUMBA Traditional Authority boundary (traversing the SAPS area) to the outer-north-western beacon of FARM No.53. Continue along the TA boundary (traversing FARM No.53) to the south-western beacon of</p>

FARM No.102. Proceed respectively along its southern boundary, the southern and eastern boundaries of farm GQOQQORA No.380, the southern boundary of FARM No.102 (again), the southern boundary of FARM No.433, the northern and eastern boundaries of FARM No.76, the northern boundary of FARM No.115 and the northern boundary of farm SIBANGWENI No.38, then onto the MASIZAKHE Traditional Authority boundary, until it converges with the MHLANGA Traditional Authority boundary at the intersection of secondary roads. Continue extensively, generally southwards along the MHLANGA TA boundary (traversing farm SIBANGWENI No.38) to the north-eastern beacon of FARM No.48. Proceed along its eastern boundary to its south-eastern beacon. Proceed respectively along the south-western boundary of farm SIBANGWENI No.38, (crossing the N2 and FARM No.62), the outer-south-western boundary of FARM No.39 to join MAIN ROAD R61 and the NGQUBUSINI Traditional Authority boundary along its southern boundary. Then deviate generally southwards (on the NGQUBUSINI Traditional Authority boundary) at the recess of the southern boundary and continue generally southwards along the TA boundary (traversing FARM No.98) to eventually join the western boundary of FARM No.98 at its intersection with the secondary road, approximately 300 metres south of the south-eastern beacon of FARM No.36. Then proceed respectively along the western boundaries of FARM No.98 and FARM No.182 to its south-western beacon. Continue respectively along the northern boundary of FARM No.62, the western and northern boundaries of FARM No.93, the northern and eastern boundaries of FARM No.64, the northern and eastern boundaries of FARM No.65, the eastern boundary of farm QINGQOLO, the northern boundaries of farm NTLANGASO No.54, FARM No.67, farms WILO No.69, NCENDUNA No.71, MAPUZI No.58 and MQANDULI No.49. Proceed respectively along its eastern boundary (including that of FARM No.30) and that of farm NTONJANE No.48, FARM No.206 and farm MNCWASA No.38, to the intersection with the TSHEZI Traditional Authority boundary. Continue generally westwards along the TSHEZI TA boundary, respectively traversing farm MNCWASA No.38 and FARM No.206 to join the south-eastern boundary of farm MNCWAZA EAST No.40 at the intersection with the XWANGU Secondary road, approximately 615 metres from its south-eastern beacon. Proceed respectively along the eastern boundaries of farms MNCWAZA EAST No.40 and SIKOKOTA No.54 on the JALAMBA Traditional Authority boundary, which deviates generally westwards from a point on the eastern boundary of farm SIKOKOTA No.54 that is approximately 270 metres from its north-eastern beacon. Proceed generally westwards along the JALAMBA TA boundary (traversing farm SIKOKOTA No.54) to its north-western boundary and continue respectively along its western boundary and that of FARM No.73, the southern boundary of FARM No.168, the eastern and northern boundaries of FARM NO.77, the northern boundary of farm ORANSAY No.57 and the northern boundary of FARM No.59 to its north-western beacon and continue along the JALAMBA Traditional Authority boundary to the north-western beacon of FARM No.61. Proceed respectively along its western boundary, the northern boundary of FARM No.65, the northern

	<p>boundary of FARM No.64, then along the TA boundary to the northern boundary of FARM No.158 and the northern boundary of FARM No.68, to join the NGQWANGELE Traditional Authority boundary on the DIKENI secondary road. Proceed generally north-westwards along the TA boundary, respectively traversing FARM No.79, then joining its western boundary at the MANGWENI secondary road, then departing from the western boundary of FARM No.79 at the CELESI secondary road along the GCALEKWA / NGCHANA TA boundary (traversing FARM No.179) until re-joining the western boundary of FARM No.79 at the DUDANI secondary road and continuing therefrom along the northern boundary of FARM No.74 and departing therefrom along the TA boundary at NCAMBEZANA secondary road to intersect the western boundary of FARM No.79 at the DUDANI Sub-place. Continue generally northwards along the QIYA Traditional Authority boundary (traversing FARM No.79 and crossing the XORA RIVER), to the south-western beacon of FARM No.226 (at the MAFAKATHINI secondary road). Proceed along its western boundary to join the ELLIOTDALE secondary road. Proceed generally north-eastwards on the this road along the QIYA TA boundary (traversing FARM No.226), then depart from the road at MABHANA, along the TA boundary and generally westwards, to rejoin the western boundary of FARM No.226 and thereafter proceed respectively along the southern boundary of FARM No.78 and the northern boundary of FARM No.242, until the TA boundary departs from this northern boundary and deviates south-westwards (traversing FARM No.242), across the MJKWENI secondary road, and eventually deviating generally eastwards to cross the eastern boundary of FARM No.242 and partially traverse FARM No.74 to the rejoin the eastern boundary of FARM No.242 and proceed thereon to its south-eastern beacon at the MBASHE RIVER. Then proceed on the MBASHE RIVER, respectively along the southern and western boundaries of FARM No.242, the southern boundary of FARM No.40, the eastern boundary of FARM No.236, the southern boundary of FARM No.42 and the southern and western boundaries of FARM No.236 to its south-western beacon. Continue along the MBASHE RIVER on the TA boundary to the south-eastern beacon of farm TYALARA No.42. Proceed respectively along its southern and western boundaries on the MBASHE RIVER, crossing the N2 thereafter and proceeding generally north-westwards along the MBASHE RIVER and continuing thereon generally northwards from the confluence of the MBASHE and MGWALI Rivers. Continue along the MBASHE RIVER on the BAZIYA Traditional Authority boundary, crossing MAIN Road R61, to eventually converge with the south-western boundary of FARM No.53. Then traverse FARM No.53 and cross its north-western boundary to finally proceed to the south-western beacon of FARM no.419, which is the STARTING point.</p>
<p>Bityi sub-district of OR Tambo magisterial district</p>	<p>Starting from the intersection of the of the MBASHE RIVER and the south-eastern boundary of the AMAQWATI Traditional Authority area, proceed generally eastwards along the MTHATHA / BITYI SAPS boundary to intersect the south-western corner of the BAZIYA Traditional Authority area. Continue along the southern boundary of the TA area to intersect the XONGORA RIVER. Proceed eastwards along the</p>

		<p>TA boundary and the river, then depart from the river and continue along the southern TA boundary to the intersection of the JUMBA, MATYENGQINA and BAZIYA Traditional Authority areas. Continue along the northern boundary of the MATYENGQINA TA to the south-western beacon of FARM No.52. Proceed along its southern boundary (and the TA boundary) to its south-eastern beacon and then continue generally south-eastwards along the MTHATHA / BITYI SAPS boundary, to its intersection with the northern boundary of the MATYENGQINA Traditional Authority boundary. Continue generally south-eastwards along the TA boundary to its north-eastern corner at the intersection with the railway. Proceed generally southwards along the railway to its intersection with the secondary road, then continue along the QOKOLWENI/ZIMBANE Traditional Authority boundary to intersect the western boundary of FARM No.111. Proceed respectively along its western boundary and that of FARM No.116, FARM No.38 and FARM No.230 to the northern beacon of FARM No.40. Proceed respectively along its north-western boundary and that of FARM No.239 and FARM No.42 to its intersection with the MBASHE RIVER. Proceed generally north-westwards (crossing the N2) along the MBASHE RIVER to its confluence with the MGWALI RIVER. Continue generally northwards along the MBASHE RIVER through its confluence with the XUKA RIVER and proceed northwards along the MBASHE RIVER to its intersection with the south-eastern boundary of the AMAQWATI Traditional Authority area, which is the Starting point.</p>
	<p>Ingquza Hill sub-district of OR Tambo magisterial district</p>	<p>STARTING from the north-western beacon of FARM No.31, proceed respectively along its northern boundary and that of FARM No.159, farms BIPA No.48 and NTSHANGASE No.63, then deviating along the AMANTHANGASE Traditional Authority boundary generally northwards onto MAIN ROAD R394 (traversing farm NTSHANGASE No.63 and FARM No.182) to the south-western beacon of farm FORT DONALD No.1. Continue along the TA boundary on the southern boundary of farm FORT DONALD No.1 farm NTSHANGASE No.63, then generally eastwards along the road, traversing farm BULEMBU PLANTATION No.15 to its south-eastern beacon. Then proceed generally eastwards along the river, respectively traversing the southern section of FARM No.189 and farm NTSHANGASE No.63, to then depart from the river and join the AMANTSHANGASE Traditional Authority boundary and the SAPS boundary (generally southwards) to the south-western beacon of farm ENKANTOLO No.59. Continue along the TA/ SAPS boundary (generally south-eastwards), respectively traversing farms NTSHANGASE No.63 and FARM No.184, then crossing the R61 and proceeding within the southern section of FARM No.212 to its south-eastern beacon. Proceed generally southwards along the TA / SAPS boundary, respectively traversing FARM No.184, FARM No.48, farm QASA No.45, FARM No.207, then along the eastern boundary farm QASA and along the MTEMU RIVER, then along the eastern boundary of farm LOWER MKETENGENI No.44 and along the MTEMU RIVER, then along the northern boundary of FARM No.153 and along the MTEMU RIVER, the northern and eastern boundaries of FARM No.85 and FARM</p>

		<p>No.86 and along the MTENTU RIVER and the northern boundary of farm MKAMBATI No.8 and the MTENTU RIVER to its mouth at the INDIAN OCEAN LOW WATER MARK (LWM). Continue generally south-westwards along the LWM, traversing the eastern boundary of farm MKAMBATI No.8 to the MSIKABA RIVER MOUTH. Proceed generally south-westwards along the LWM, adjacent to the eastern boundaries of FARM NO.89 (including FARM No.135) and FARM No.93, to the MZINTLAVA RIVER MOUTH. Continue generally south-westwards along the LWM adjacent to the eastern boundary of FARM No.204, to the MNTAFUFU RIVER MOUTH. Proceed in the same direction along the LWM adjacent / along the eastern boundary of farm KAYALETHU TRADING SITE No.35, to its south-eastern beacon. Proceed south-westwards along the LWM to intersect the MVUMELWANO Traditional Authority boundary. Then proceed generally north-westwards along the TA boundary to join the southern boundary of farm KAYALETHU TRADING SITE No.35 and proceed respectively thereon, the southern and western boundaries of FARM No.216 (including the southern boundary of FARM No.73) and along the MZIMVUBU RIVER, the southern boundary of FARM No.209, the western boundary of FARM No.95, the southern boundary of FARM No.112, the southern and western boundaries of FARM No.364, the southern boundary of FARM 110 and the southern and western boundaries of FARM No.359 to its north-western beacon. Continue along the western and northern boundaries of FARM No.331, the western boundary of FARM No.215, the northern boundary of FARM No.57, the western boundaries of farm SIPHAQENI No.37 and LUTULINI No.54, the northern boundary of farm XOPOZO No.56 and the southern boundary of farm ELWANDLANE FARM No.39 to its intersection with the AMANCI Traditional Authority boundary. Proceed generally north-westwards along the AMANCI Traditional Authority boundary, traversing farm ELWANDLANE FARM No.39, then respectively along its northern boundary and the TA boundary, then traversing farm CAMTSHOLO PLANTATION No.29 and respectively along its northern boundary and the southern boundary of FARM No.159 to its south-western beacon. Continue generally south-westwards along the NTLENZI Traditional Authority boundary, traversing farm MZIMHLAVA FARM No.38 and then generally eastwards along the NTLENZI Traditional Authority and SAPS boundaries, to the north-western beacon of FARM No.31, which is the <i>STARTING</i> point.</p>
	<p>Mhlontlo sub-district of OR Tambo magisterial district</p>	<p><i>STARTING</i> from the north-western beacon of FARM No.75, proceed along its northern boundary and around the perimeter of the MTABANTU Subplace, along the boundary of the NORTHERN-PONDOMISE Traditional Authority Area, to the south-western beacon of FARM No.82. Proceed intermittently along its western boundary, whilst consistently adhering to the BASUTO Traditional Authority boundary and respectively traversing FARM No.82, FARM No.83 and FARM No.87 to the south-eastern beacon of FARM no.80. Continue along the BASUTO TA boundary, respectively traversing farm NTABODULI PLANTATION No.48 and FARM No.85, to the south-western beacon of farm ETWA PLANTATION No.47. Proceed along its western boundary to its north-western beacon and then generally northwards along the</p>

HLUBI Traditional Authority boundary (traversing FARM No.80) to the point of convergence with the MAKAULA TA boundary and the TINA RIVER on the eastern boundary of FARM No.80. Continue generally south-eastwards along the TINA RIVER, respectively along the eastern boundary of FARM No.80, the northern and eastern boundaries of FARM No.84, the northern and eastern boundaries of FARM No.247, the eastern boundaries of FARM No.87 and farm MAHLUNGULU No.79, the northern boundaries of FARM No.99 and FARM No.77 and the western boundary of farm MHLANGALA No.97 to its north-western beacon. Then proceed generally eastwards along the MAKAULA Traditional Authority boundary (traversing farm MHLANGALA No.97) to the north-western beacon of FARM No.232. Proceed respectively along the western boundary of FARM No.234 to its north-western beacon, its northern boundary and then along the MAKAULA Traditional Authority boundary (traversing FARM No.234) to join the AMACWERA Traditional Authority boundary at the intersection with the eastern boundary of FARM No.234. Proceed southwards along its eastern boundary and continue along the AMACWERA TA boundary (traversing FARM No.219) and again along the eastern boundary of FARM No.234 to its south-eastern beacon. Proceed respectively along the eastern boundaries of FARM No.58, FARM No.236 and farm NCUMBE No.49 to its south-eastern beacon. Proceed respectively along the northern and eastern boundaries of farm NGCOLO No.48 (co-incident with the LWANDLOLUBOMVU Traditional Authority boundary) to a point approximately 680 metres north of the north-western beacon of farm EDUNGU No.47. Continue generally south-westwards along the LWANDLOLUBOMVU Traditional Authority boundary (traversing farm NGCOLO No.48) to the north-eastern beacon of farm MBOKOTWANA no.106 at the TINA RIVER. Proceed respectively along its eastern boundary, then on the IZITSA RIVER along the eastern and southern boundaries of FARM No.53, the southern boundaries of FARM No.55 and FARM No.67, to its south-western beacon. Continue generally south-westwards along the MHLANGA Traditional Authority boundary (traversing FARM No.68) to join the southern boundary of FARM No.68 and proceed thereon to its south-western beacon. Then proceed respectively along the eastern boundaries of FARM No.3 and FARM No.451 to its south-eastern beacon. Proceed along its southern boundary and continue along the MHLANGA Traditional Authority boundary to join the MASIZAKHE Traditional Authority boundary and revert thereon to the southern boundary of FARM No.451, then respectively along the southern boundary of FARM No.114, the northern boundary of FARM No.115, the eastern and northern boundaries of FARM No.76, the southern boundaries of FARM No.433 and FARM 102, the eastern and southern boundaries of farm GQOQQORA No.380 and the southern boundary of FARM No.102 (again) to its south-western beacon. Continue along the JUMBA Traditional Authority boundary (traversing FARM No.53) to the outer-north-western beacon of FARM No.53. Proceed generally northwards along the TA boundary (traversing the SAPS area) to the south-western beacon of FARM No.419. Proceed along its southern boundary and the MATOLANDILE / ZIMELELANDILE Traditional Authority boundary, then departing from the southern

		<p>boundary of FARM No.419 as the T A boundary begins its traverse generally north-eastwards through FARM No.419 and eventually deviating westwards to intersect its western boundary. Continue respectively along its western boundary, the southern boundary of FARM No.385, the northern boundaries of FARM No.574, FARM 569 and FARM No.393 and the western, northern and eastern boundaries of FARM No.117 to north-western beacon of FARM No.120. Proceed respectively along its northern boundary, the western boundaries of FARM No.119, farms NDZEBE No.7 and NXOTWE No.58 and FARM No.73 to its north-western beacon. Finally, proceed respectively along the southern boundary of FARM No.74 and the southern and western boundaries of FARM No.75, to its north-western beacon, which is the <i>STARTING</i> point.</p>
	<p>Nyandeni sub-district of OT Tambo magisterial district</p>	<p><i>STARTING</i> from the north-west beacon of FARM No.58, proceed along its northern boundary and the MHLANGA Traditional Authority boundary, to its ante-penultimate northern beacon. Proceed generally north-eastwards along the MHLANGA Traditional Authority boundary, traversing FARM No.68, to intersect its eastern boundary. Proceed respectively along its eastern boundary and that of FARM No.58, FARM No.57, farms MHLANGANISO No.32 and MTOMBI No.36 and FARM No.43 to its north-eastern beacon. Continue respectively along its eastern boundary and that of FARM No.46, the northern and eastern boundaries of FARM No.49, the northern and eastern boundaries of FARM No.47, the eastern boundary of FARM No.33, then along the MANZAMHLOPE Traditional Authority boundary, the southern boundary of FARM No.33, the eastern boundaries of FARM No.40 and FARM No.42, the eastern and southern boundaries farm NTSONYENI No.86 to its intersection with the MCWEBENI Traditional Authority boundary. Proceed generally southwards respectively along the TA boundary, traversing FARM No.304, then along its eastern boundary and that of FARM No.308, then along the NDLUZULA Traditional Authority boundary, traversing FARM No.47, then respectively along its southern boundary and that of FARM No.308, the eastern boundaries of FARM No.304 and FARM No.314 and the northern boundary of FARM No.273, then along the middle of the MNEU RIVER to the MNEU RIVER MOUTH and then to the INDIAN OCEAN LOW WATER MARK (LWM). Proceed generally south-westwards along the LWM traversing the mouth, then farm LUCINGWENI No.99 (respectively from its eastern boundary to its northern boundary, then across its southern boundary, then from its southern to northern, then southern and western boundaries). Continue along the LWM, respectively traversing the mouth, farm LUCINGWENI No.99, FARM No.101, FARM No.273, FARM No.277, FARM No.279 and FARM No.284 until it intersects with the middle of the MTATA RIVER at the river mouth. Continue generally north-westwards along the middle of the MTATA RIVER, adjacent to the western boundary of FARM No.284, the eastern, southern and western boundaries of farm MATSHEZI No.93, the southern and western boundaries of FARM No.94, the southern boundary of farm MABOMVANA No.91, the southern and western boundaries of FARM No.85, the western boundary of FARM No.82, the southern and western boundaries of FARM No.78, the</p>

		<p>southern boundaries of FARM No.234 and FARM No.221, the southern and western boundaries of FARM No.67 and FARM 55, the western boundary of FARM No.51, the southern and western boundaries of FARM No.54, the southern boundary of FARM No.185 to its south-western beacon. Continue similarly along the southern, western and northern boundaries of FARM No.182 and the southern and western boundaries of FARM No.98 to the start of the NGQUBUSINI Traditional Authority boundary, approximately 300metres from the north-eastern beacon of FARM No.37. Proceed generally northwards along the NGQUBUSINI TA boundary, traversing FARM no.98 and crossing its northern boundary into FARM No.39, to join MAIN ROAD R61. Proceed generally westwards along the NGQUBUSINI TA boundary on the R61, traversing FARM No.39, to its outer-south western beacon. Continue extensively along its western boundary, then cross the N2 and the southern boundary of FARM No.62 to the south-western beacon of farm SIBANGWENI No.38. Proceed extensively along its western boundary to intersect the MHLANGA Traditional Authority boundary. Continue generally eastwards to northwards along the TA boundary, traversing farm SIBANGWENI No.38, then deviate generally north-eastwards along the road and continue eastwards (at the next road intersection) along the southern boundary of FARM No.451 co-incident with the MHLANGA TA boundary, to intersect the western boundary of FARM No.63 and the N2. Then proceed generally northwards along the eastern boundary of FARM No.63 (and the N2). Deviate generally north-westwards along the MHLANGA Traditional Authority boundary, respectively traversing FARM No.63, farm SIBANGWENI No.38 and FARM No.451, to join the SAPS boundary, first north-eastwards, then northwards (traversing farm SIBANGWENI No.38) and then north-eastwards, traversing farm SIBANGWENI No.38 and FARM No.63. Proceed on MHLANGA TA line on the N2, respectively along the eastern boundaries of FARM No.63, FARM No.108 and finally FARM No.3 to the north-western beacon of FARM No.58, which is the STARTING point.</p>
	Port St Johns sub-district of OR Tambo magisterial district	<p>STARTING from the north-eastern beacon of FARM No.47, proceed on the MVUMELWANO Traditional Authority boundary, respectively along the western, northern and eastern boundaries of FARM No.34, the northern boundary of FARM No.36, the northern and eastern boundaries of FARM No.85, the eastern boundary of farm ZINONGA No.37, the southern boundary of FARM No.216 and the western boundary of farm KAYALETHU TRADING SITE to the Indian Ocean Low Water Mark (LWM). Continue generally south-westwards along the LWM, adjacent respectively to FERRY POINT ROAD, the MZIMVUBU RIVER MOUTH, PORT ST JOHNS GOLF COURSE, SILAKA NATURE RESERVE, the southern boundary of farm CAGUBA No.55, FARM No.26, the MNGAZI RIVER MOUTH, the southern boundary of farm CAGUBA No.55, the MNGAZANA RIVER MOUTH, the eastern and southern boundaries of FARM No.43 and the eastern and southern boundaries of farm BENWELL No.46 to the MNEHU RIVER MOUTH. Then proceed generally north-westwards from the LWM, respectively along the middle of the MNEHU RIVER and the western boundaries of farm BENWELL No.46 and FARM No.135 to the south-western beacon of</p>

Sarah Baartman Magisterial District	Makhanda Main Seat of Sarah Baartman magisterial district	<p>FARM No.47. Proceed along its southern boundary to its intersection with the NDLUZULA Traditional Authority boundary. Then proceed generally northwards along the TA boundary, traversing FARM No.47, to its intersection with the western boundary of FARM No.47. Proceed along the TA boundary (co-incident with the western boundary) until the TA boundary becomes the MCWEBENI Traditional Authority boundary. Continue respectively along its western boundary and that of FARM No.33 (both co-incident with the TA boundary) until the point on the western boundary of FARM No.33 that is approximately 360metres from its south-western beacon. Then proceed along the TA boundary (departing from the western boundary) to the south-western beacon of farm NTSONYENI No.86. Proceed respectively along its southern and eastern boundaries to the south-eastern beacon of FARM No.42. Continue respectively along the western boundaries of FARM No.70 and FARM No.36 to the south-western beacon of FARM No.33. Proceed generally northwards along the MANZAMHLOPE Traditional Authority boundary, traversing FARM No.36, until co-incident with its western boundary, then departing therefrom and traversing FARM No.33 briefly to rejoin the western boundary of FARM No.36 to its north-western beacon. Finally, proceed along the western boundary of FARM No.34 to the north-eastern beacon of FARM No.47, which is the STARTING point.</p> <p>STARTING from the north-west beacon of farm MERRYDALE No.14, proceed respectively along its northern boundary and that of farms GROENE FOUNTAIN No.11, BOTHAS LEEGTE No.10, ONGELUKS KRANS No.9, WATERFALL No.8 to its north-eastern beacon. Proceed along its eastern boundary to its outer-eastern beacon, then along the SAPS boundary (traversing farm No.678) to the south-western beacon of farm KIANGHAS DRIFT No.7. Continue respectively along the northern and eastern boundaries of FARM No.679, the northern boundaries of farms ENGLISH DRIFT No.23 and vaderlandsch wilgeboom No.25, the western, northern and eastern boundaries of farm RHENOSTER HOOK No.26, the southern boundary of FARM No.186, the western and northern boundaries of farm GREYS GIFT No.27, the eastern boundary of farm BEZUIDENHOUDS KRAAL No.29, the northern boundaries of farms KODOO KLOOF No.33 and DELLWN No.31, the northern and eastern boundaries of farm BUCKLANDS No.108, the northern boundary of farm SCHRIKWATERS POORT No.109, the western and northern boundaries of farm DASSIES SCHEUR No.110, the western, northern and eastern boundaries of farm CARRIG NA GUNNIEL No.111, the eastern boundary of farm DASSIES SCHEUR No.110, the northern boundaries of farms OUTSPANNING No.116 and LOWESTOF No.115 to the south-western beacon of farm BALLYSGAGGART No.112. Proceed respectively along its western, northern and eastern boundaries and the western, northern and eastern boundaries of farm TANDERAGEE No.113, the eastern and southern boundaries of farm BALLINAFAD No.114, the eastern boundaries of farms WIRRASTHREW No.118 and ATHLONE No.119, the northern and eastern boundaries of farm COMMITTEES DRIFT No.120, the northern and eastern boundaries of farm BRIDGEWATER No.205, the northern boundary of</p>
---	---	--

farm THE HILLS No.206, the western boundaries of farms BLAAUW DRIFT No.207 and FARM No.208, the northern and eastern boundaries of FARM No.209, the eastern boundary of farm BLAAUW DRIFT No.207, the northern boundaries of farms BUFFELS DRIFT No.210 and KOODOO KOP No.211, the western, northern and eastern boundaries of farm SOUTHEYS HOEK No.212, the eastern boundary of farm KOODOO KOP No.211, the northern boundaries of FARM No.612 and FARM No.611, the northern and eastern boundaries of farm HUNTS HOEK OUTSPAN No.213, the SAPS boundary, the eastern and southern boundaries of farm HUNTS HOEK OUTSPAN No.213 and the eastern and southern boundaries of FARM No.611 to its south-western beacon. Continue respectively along the eastern boundary of FARM No.612, the northern boundary of farm MARANATHA EXTENSION No.364, the northern, eastern and southern boundaries of farm MARANATHA MISSION No.366 (eastern section), the southern boundaries of FARM No.604 and MARANATHA MISSION No.366 (western section) to its south-western beacon. Proceed respectively along the eastern, southern and western boundaries of farm TOWER HILL No.363, the southern boundary of farm GILEAD No.361, the eastern and southern boundaries of farm KOMSFOUNTAIN No.360, the eastern boundary of FARM No.663, the northern boundary of FARM No.356, the eastern boundaries of farms PIGOT PARK No.350 and BRENTHOOK No.367, the eastern and southern boundaries of farm NURNEY No.368, the southern boundaries of farm BLAAUWKRANTZ OUTSPAN No.370, FARM No.369 and FARM No.371, the eastern and southern boundaries of farm YENDALLA No.378, the eastern and southern boundaries of farm ROCKRIDGE No.459 and the southern boundaries of FARM No.687, FARM No.602 and FARM No.603 to the north-western beacon of farm WESLEY WOOD No.179. Continue respectively along the eastern boundaries of FARM No.448, FARM No.449, farm HOPEWELL No.451, FARM No.453 and FARM No.455, the eastern and southern boundaries of farm 666, the eastern boundaries of farm SPRING GROVE No.295 and FARM No.461 to the south-western beacon of farm GLENFILLAN No.293. Continue along the KAGIEGA RIVER (traversing FARM No.461 westwards) and then along the eastern boundary of farm SPRING GROVE No.295 to its south-eastern beacon. Proceed respectively along its southern boundary, the eastern boundary of farm FARMERFIELD No.549, the eastern, southern and western boundaries of farm BUSHFONTEIN No.548 and the southern boundary of farm SALEM No.498 to its south-western beacon. Continue generally westwards along the BOESMANS RIVER (respectively traversing farms KIKLUJ ESTATES No.646 and EMSLIE No.494) to the south-eastern beacon of FARM No.645. Proceed along its entire southern boundary and continue generally westwards along the BOESMANS RIVER, respectively traversing farms EMSLIE No.494, SANDEGTE No.207, FARM No.626, farms ROODEKOP No.491 (eastern section), DE RUST No.492, ROODEKOP No.491 (western section), DRIE KOPPEN No.198, KOMGAS MOUTH No.490, DE HOOP No.199, AVOND RUST No.195, ALUIN KRANTZ WEST No.196, KRANTZ HOEK No.197, ALUIN KRANTZ WEST No.196 (again), FARM No.489, farm KOPPIE ALEEN No.186, FARM

	<p>No.431, FARM No.402, farm WOODBURY No.488, farm BUSHMANS RIVER No.394, farm WOODBURY No.488 (again), the eastern boundary of farm SCHAAP HOEK No.175, FARM No.408, the northern boundary of FARM No.388, the southern boundary of farm WOODBURY No.488, into farm WOODBURY No.488 (again) and STILGENOEGEN No.483 to the south-western beacon of farm SCHIET KOP No.482. Proceed respectively along its western boundary, the southern boundaries of farms KLEIN DEAL ANNEX No.285, KLEIN DEAL No.279 (eastern section) and FARM No.625 to the north-western beacon of farm RETREAT No.284 (eastern section). Then proceed generally north-westwards along the BOESMANS RIVER, respectively traversing FARM No.625 and FARM No.634, to the south-eastern beacon of FARM No.42. Continue respectively along the western boundaries of FARM No.634 and KLEIN DEAL No.279 (western section) to the south-eastern beacon of farm PAARDENFONTEIN No.281. Proceed respectively along its southern boundary and that of FARM No.282, BRAKFONTein No.311 and FARM No.448 to its point of intersection with the southward linear extension of the western boundary of farm BRAKFONTein No.311. Then proceed northwards along the SAPS boundary (on the mentioned linear extension), to the south-western beacon of farm BRAKFONTein No.311. Continue along its southern boundary (on the N10) to the north-eastern beacon of FARM No.448, then generally north-eastwards along the SAPS boundary, traversing farm BRAKFONTein No.311, to a point on its northern boundary that is approximately 1.865km west of its north-eastern beacon. Proceed respectively along its northern boundary, the western boundary of farm WILGERFONTEIN No.151, the southern and western boundaries of farm MAJIES KRAAL No.149, the southern and western boundaries of farm FAIRVIEW No.146, the southern and western boundaries of FARM No.144 and the western boundary of farm JUNCTION DRIFT No.60 to the south-western beacon of FARM No.145. Continue respectively along its western and northern boundaries, the northern boundary of farm JUNCTION DRIFT No.60, the northern boundary of FARM No.597 and the western boundary of farm STEENBOKS HOEK No.59 to its northern beacon. Proceed respectively along the southern and western boundaries of farm ELLENDE No.58, the western boundary of farm BEDROEFD KLEIN No.57, the northern boundary of farm UITKOMST No.15, the western and northern boundaries of farm UITKYK No.12 and finally the western boundary of farm MERRYDALE No.14 to its north-western beacon, which is the STARTING point.</p>
<p>Blue Crane Route sub-district of Sarah Baartman magisterial district</p>	<p>STARTING from the north-western beacon of FARM No.75, proceed along its northern boundary and around the perimeter of the MTABANTU Subplace, along the boundary of the NORTHERN-PONDOMISE Traditional Authority Area, to the south-western beacon of FARM No.82. Proceed intermittently along its western boundary, whilst consistently adhering to the BASUTO Traditional Authority boundary and respectively traversing FARM No.82, FARM No.83 and FARM No.87 to the south-eastern beacon of FARM no.80. Continue along the BASUTO T A boundary, respectively traversing farm NTABODULI PLANTATION No.48 and FARM No.85, to the south-western beacon of farm ETWA PLANTATION No.47.</p>

Proceed along its western boundary to its north-western beacon and then generally northwards along the HLUBI Traditional Authority boundary (traversing FARM No.80) to the point of convergence with the MAKAULA T A boundary and the TINA RIVER on the eastern boundary of FARM No.80. Continue generally south-eastwards along the TINA RIVER, respectively along the eastern boundary of FARM No.80, the northern and eastern boundaries of FARM No.84, the northern and eastern boundaries of FARM No.247, the eastern boundaries of FARM No.87 and farm MAHLUNGULU No.79, the northern boundaries of FARM No.99 and FARM No.77 and the western boundary of farm MHLANGALA No.97 to its north-western beacon. Then proceed generally eastwards along the MAKAULA Traditional Authority boundary (traversing farm MHLANGALA No.97) to the north-western beacon of FARM No.232. Proceed respectively along the western boundary of FARM No.234 to its north-western beacon, its northern boundary and then along the MAKAULA Traditional Authority boundary (traversing FARM No.234) to join the AMACWERA Traditional Authority boundary at the intersection with the eastern boundary of FARM No.234. Proceed southwards along its eastern boundary and continue along the AMACWERA TA boundary (traversing FARM No.219) and again along the eastern boundary of FARM No.234 to its south-eastern beacon. Proceed respectively along the eastern boundaries of FARM No.58, FARM No.236 and farm NCUMBE No.49 to its south-eastern beacon. Proceed respectively along the northern and eastern boundaries of farm NGCOLO No.48 (co-incident with the LWANDLOLUBOMVU Traditional Authority boundary) to a point approximately 680 metres north of the north-western beacon of farm EDUNGU No.47. Continue generally south-westwards along the LWANDLOLUBOMVU Traditional Authority boundary (traversing farm NGCOLO No.48) to the north-eastern beacon of farm MBOKOTWANA no.106 at the TINA RIVER. Proceed respectively along its eastern boundary, then on the IZITSA RIVER along the eastern and southern boundaries of FARM No.53, the southern boundaries of FARM No.55 and FARM No.67, to its south-western beacon. Continue generally south-westwards along the MHLANGA Traditional Authority boundary (traversing FARM No.68) to join the southern boundary of FARM No.68 and proceed thereon to its south-western beacon. Then proceed respectively along the eastern boundaries of FARM No.3, FARM No.108 FARM No.63 (along the N2), then deviating generally south-westwards to south onto the MHLANGA Traditional Authority boundary (traversing farm SIBANGWENI No.38), then a minor deviation south-westwards into FARM No.451, thereafter deviating south-eastwards across the N2, to join the eastern boundary of FARM No.63 until a western deviation across the N2, to the south-eastern beacon of FARM No.451. Proceed along its southern boundary and the MHLANGA Traditional Authority boundary to deviate south-westwards along the road at the road - intersection, to join the MASIZAKHE Traditional Authority boundary and revert thereon to the southern boundary of FARM No.451, then respectively along the southern boundary of FARM No.114, the northern boundary of FARM No.115, the eastern and northern boundaries of FARM No.76, the southern boundaries of FARM No.433 and FARM 102, the eastern and

	<p>Dr Beyers Naude sub-district of Sarah Baartman magisterial district</p>	<p>southern boundaries of farm GQOQQORA No.380 and the southern boundary of FARM No.102 (again) to its south-western beacon. Continue along the JUMBA Traditional Authority boundary (traversing FARM No.53) to the outer-north-western beacon of FARM No.53. Proceed generally northwards along the TA boundary (traversing the SAPS area) to the south-western beacon of FARM No.419. Proceed along its southern boundary and the MATOLANDILE / ZIMELELANDILE Traditional Authority boundary, then departing from the southern boundary of FARM No.419 as the T A boundary begins its traverse generally north-eastwards through FARM No.419 and eventually deviating westwards to intersect its western boundary. Continue respectively along its western boundary, the southern boundary of FARM No.385, the northern boundaries of FARM No.574, FARM 569 and FARM No.393 and the western, northern and eastern boundaries of FARM No.117 to north-western beacon of FARM No.120. Proceed respectively along its northern boundary, the western boundaries of FARM No.119, farms NDZEBE No.7 and NXOTWE No.58 and FARM No.73 to its north-western beacon. Finally, proceed respectively along the southern boundary of FARM No.74 and the southern and western boundaries of FARM No.75, to its north-western beacon, which is the <i>STARTING</i> point.</p>
		<p><i>STARTING</i> from the north-west beacon of farm KLAREFONTEIN No.1 (western section), proceed along its northern boundary and respectively that of FARM No.6, farms KLAREFONTEIN No.1 (eastern section), ENSLINS RUST No.4 and JERICO No.37 to its north-eastern beacon. Continue respectively along the western and northern boundaries of FARM No.8, the northern boundary of farm DE SCHUUR No.9, the western and northern boundaries of farm DRIEFONTEIN No.10, the western and northern boundary of farm BRAAK KUIJL No.11, the northern and eastern boundaries of farm No.12, the eastern boundary of FARM No.13 and the northern boundaries of farms ANNEX DIEP KLOOF No.14 and FARM No.15 to its north-eastern beacon. Proceed respectively along the western and northern boundaries of farm DALVEEN No.18, the northern boundary of FARM No.17, the western boundary of FARM No.20, the northern and eastern boundaries of FARM No.21, the northern boundary of FARM No.22, the northern and eastern boundaries of FARM No.24, the eastern boundary of farm NOOTGEDAGT No.25, the northern boundary of farm REQUEST No.317 and the northern and eastern boundaries of farm KNOFFELHOEK No.29 to its south-eastern beacon. Continue respectively along the northern boundaries of farm BLAAUWEWATER No.67, FARM No.66 (western section) and BLAAUWEWATER No.67 (again), the northern and eastern boundaries of FARM No.66 (eastern section), the northern and eastern boundaries of FARM No.70, the eastern boundary of farm GOUDFONTEIN No.72, the northern and eastern boundaries of FARM No.73, the northern and eastern boundaries of FARM No.75, the eastern boundaries of FARM No.517, FARM No.527, FARM NO.526, FARM No.147, FARM No.148, farm ANNEX KLIPFONTEIN No.146 and FARM No.243 to the western beacon of farm BRONKORSTFONTEIN No.258. Proceed respectively along its western boundary, the eastern and southern boundaries of farms ROOI KOP A No.244 and</p>

STYLFONTEIN No.247 and the eastern boundaries of farm BRINKSDALE No.251 and SPRING GROVE No.348 to its south-eastern beacon. Continue respectively along the northern boundaries of farms UPPER WATERKLOOF No.352, FARM No.356, FARM No.353, farms ADJOINING GROOT VALLEY No.358, ADJOINING ZUUR KLOOF No.359, FARM No.360 and FARM No.361 to its south-eastern beacon. Proceed respectively along the eastern boundary of FARM No.362, the eastern and southern boundaries of farm MORGENSTER No.363, the southern boundaries of farms BUFFELS HOEK No.368, FARM No.369, farm PAARDEFONTEIN No.371, FARM No.372 and FARM No.373 to its south-western beacon. Proceed respectively along the eastern boundaries of farms SLEGTGENOEG B No.467, NOODHULP No.468 and FARM No.464 to its south-eastern beacon. Then proceed generally south-westwards along the SAPS boundary, traversing farm BLAKERIDGE ANNEX A No.465 to the north-eastern beacon of FARM No.528. Proceed along its northern boundary to a point approximately 675metres east of its north-western beacon. Then proceed generally southwards, traversing FARM No.528, on a linear extension of the western boundary of FARM No.46 to its north-western beacon. Proceed respectively along its western boundary, the eastern and southern boundaries of FARM No.496, the eastern boundary of FARM No.494, the eastern, southern and western boundaries of farm WHEATLANDS HOUSE No.497 and the eastern boundaries of FARM No.494, FARM No.498 and farm BAVIAANS KRANS No.500 to the south-western beacon of FARM No.77. Continue respectively along the northern and eastern boundaries of FARM No.3, the northern boundaries of FARM No.4 and farm MARTYRFORD No.5, the northern and eastern boundaries of farm WELGEVONDEN No.6 and SOLFERINO No.7, the northern boundary of FARM No.31, the northern and eastern boundaries of FARM No.113 and the northern boundary of FARM No.114 to its north-eastern beacon. Then proceed generally in a westerly direction along the Secondary Road, traversing FARM No.114, to its intersection with the western boundary. Proceed respectively along the western boundary of FARM 114, the northern and western boundaries of FARM No.115, the eastern boundary of FARM No.95, the northern boundary of farm MOEDERZOONS KRAAL No.96, the northern, eastern and southern boundaries of farm KRANTZ POST No.185, the eastern boundaries of farms TAFEL KOP LEEGTE No.186, GROENE LEEGTE No.164, REPTON No.228 and FARM No.296 to the north-western beacon of farm RIETRIVIER No.230. Continue respectively along its northern and eastern boundaries, the eastern boundary of farms DWAAS No.232, the eastern and southern boundaries of FARM No.279, the north-eastern boundary of farm DROOGE KLOOF No.280, the western boundary of farm DEEP DRIFT No.18, the eastern boundaries of farms ZWART NEK No.17 and RIETFontein No.52 to its mid-eastern beacon. Then proceed along the SAPS boundary, on a southward linear extension of the eastern boundary of farm RIETFontein No.52, traversing FARM No.693 to intersect its southern boundary at a point approximately 1.325km east of its south-western beacon. Proceed respectively along the northern boundaries of FARM No.602 and farm CLEARWATER No.77, the northern and eastern

boundaries of farm GEELHOOTBOOM No.78 and the eastern boundaries of farms GLENCONNER No.153, THE VLEI No.151, LOWLANDS No.149, THE WELLS No.171, ADOLPH'S POORT EAST No.172 and VERVOLG No.244 to its south-eastern beacon. Continue respectively along its southern boundary, the eastern and southern boundaries of farm WILDEPAARDEHOEK No.245, the southern boundaries of FARM No.247 and farm FEBRUARIE No.248, the eastern and southern boundaries of farms TYGERHOEK BERG No.276 and ZUNGAH No.274 and the southern boundaries of farms SCHAAP PLAATS No.252, DE GUNST No.253, AFGUNST No.255, BOSCH RIVIERS BERG No.256 and NOAGA'S BERG No.257 to its south-western beacon. Proceed respectively along the eastern and southern boundaries of farm BLAAUWKOP RANTE No.215, the eastern boundary of farm DE HOEK No.216, the eastern and southern boundaries of FARM No.256 (*eastern section*) and the southern boundary of FARM No.256 (*western section*) to its south-western beacon. Continue respectively along the eastern boundary of FARM No.201, the northern boundary of FARM No.2, the northern and eastern boundaries of farm No.235, the eastern boundary of farm KRUISRIVIER No.236, the northern, eastern, southern and western boundaries of farm SPANRIET GAT No.237 and the southern boundary of farm WHITE RUGGENS No.238 to its south-western beacon. Proceed respectively along the eastern and southern boundaries of farm DRINKWATERS KLOOF No.239, the southern boundaries of FARM No.247 and FARM No.204, the southern and western boundaries of farm QUACHAS VLAKTE No.203, the western boundaries of farms NIEUWE KLOOF No.202 and VAAL WATER No.200, the southern boundary of farm NIET VOORBY No.171 and the western boundary of farm ADJOINONG WELBEDACHT No.170 to its north-western beacon. Continue respectively along the southern boundaries of farms NAHOOGTE No.167, ANNEX WELGEBOSCH No.166, RUIGTE FONTEIN No.160 and ANNEX SCHILPADBEEN No.159, the southern and western boundaries of farm KNOB PUNT No.157 and the western boundaries of FARM No.252 and farm REBOSCH RAND No.156 to its north-western beacon. Proceed respectively along the southern boundaries of FARM No.268, FARM No.155, FARM No.153, farms MILNERSDALE ANNEXE No.152, MILNERSDALE WEST ANNEX No.151, CHERIDOUWS POORT No.150, UITNOOD ANNEX No.149, GERUSTE LEWEN ANNEXE No.146 and SPITSKOP No.145 to its south-western beacon. Continue along its western and northern boundaries and respectively the western and northern boundaries of farm OORLOGS KLOOF No.172, the western boundaries of farms WESTBOURNE No.144, ONDER TRAKA No.91, LAMBS KRAAL No.90, VAAL KRANS No.89, RENSBURG'S KUIL No.31, DIE PUTS No.30 and FARM No.3 to its north-western beacon. Proceed respectively along its northern boundary, the western boundaries of FARM No.7, FARM No.6 and FARM No.2 and farm RIET GAT No.1 to its north-western beacon. Continue along its northern boundary and respectively that of FARM No.6, FARM No.5, FARM No.8 and FARM No.260 and FARM No.9, the western boundary of farm BLAAUW KOP No.13, the southern and western boundaries of farms KAREE LEEGTE No.168 and KLEIN BOSCH No.165 and the

		<p>western boundaries of farms MIDDEL PLAATS No.166, BAREND'S KUIJL No.164, KLEIN TAVEL KOP No.163 and DE PANNEN No.79 to its north-western beacon. Proceed along its northern boundary and respectively the western and northern boundaries of farm BOK VLEI No.78, the northern boundary of farm OORLOGSPOORT No.85, the western boundary of farm KOEDOES KLOOF No.77 and the northern boundaries of farms TULIP LEEGTE No.76, TAFEL KOP No.75 and KEUNA No.74 to the south-western beacon of farm GLEN CLIFF No.272. Proceed along its western boundary and respectively that of farms WINDERMERE No.271 and WALPLAATS No.1. Proceed respectively along its northern and eastern boundaries, the eastern boundaries of FARM No.13, farm MORDANT KLAASSENSKRAAL No.14, the northern boundaries of farms DE PLATEN No.16 and PALMIETFONTEIN No.25 to the south-western beacon of farm LELIEFONTEIN No.127. Proceed respectively along its southern boundary and that of Farm No.125, the northern boundaries of FARM No.30 and farm MORDENDAL No.35, the western and northern boundaries of FARM No.294, the western and northern boundaries of FARM No.187, the western boundaries of FARM No.185 and FARM No.116 and the southern boundary of FARM No.115 to its south-western beacon. Continue respectively along the southern, western, northern and eastern boundaries of FARM No.113, the western and northern boundaries of FARM No.114, FARM No.111 and FARM No.43 to its north-eastern beacon. Then proceed generally north-eastwards for approximately 3km on a linear extension of its northern boundary (traversing farm RUIGTE VALLEY No.42), then continue north-westwards thereon, to intersect the southern boundary of FARM No.40, at a point that is approximately 640metres east of its south-western beacon. Continue respectively along its southern and western boundaries, the southern boundaries of farms OUTWEEFONTEIN No.44 and FARM No.523, the eastern, southern, western and northern boundaries of FARM No.43 (western section), the northern boundary of FARM No.523, the western boundary of FARM No.43 (eastern section) to its northern beacon. Finally, proceed respectively along the northern boundary of FARM No.42, the western boundary of farm JERICO No.37, the southern boundary of farm ENSLINS RUST No.4 and the western boundary of farm KLAREFONTEIN No.1, to its north-western beacon, which is the <i>STARTING</i> point.</p>
	Kouga sub-district of Sarah Baartman magisterial district	<p><i>STARTING</i> from the north-western beacon of FARM No.179, proceed respectively along its northern and eastern boundaries and the northern boundary of FARM No.97 to the south-eastern beacon of farm DRINKWATERS KLOOF No.239. Continue along the western boundary of farm LANGE RIETFONTEIN No.96 and respectively along the western, northern and eastern boundaries of farm DIEP RIVIER No.95, to its south-eastern beacon. Then proceed respectively along the northern boundary of FARM No.97, the western boundaries of FARM No.94, FARM No.35 and FARM No.4 to its south-eastern beacon. Continue along its southern boundary and respectively along the southern, western and northern boundaries of FARM No.1 to the south-eastern beacon of FARM No.256. Proceed respectively along the southern,</p>

western and northern boundaries of farm ANTONIESBERG No.259, the western and northern boundaries of farm GROOTE RIVIERS POORT No.258 and respectively along the northern boundaries of farms NOAGA'S BERG No.263, COCKSCOMB WEST No.264, COCKSCOMB EAST No.266, DEACONSKLOOF No.267, JACKALS KLOOF No.269 and ZONGAH No.270 to its north-eastern beacon. Continue respectively along the western and northern boundaries of FARM No.699, the northern boundary of farm MIERHOOP PLAAT No.275, the western and northern boundaries of farm ROODE PLAAT No.277 and the northern boundaries of farms PALMIET KLOOF No.278, OSS-PLAAT ANNEXE No.279 and DEYSELS-PLAAT ANNEXE No.280 to its north-eastern beacon. Proceed respectively along the western and northern boundaries of farm MANNETJIE No.243, the western and northern boundaries of farm VAAL KRANTZ No.242, the western, northern and eastern boundaries of farm WELBEDAGT No.175 and the northern and eastern boundaries of farm HELPMEKAAR No.178 to its south-eastern beacon. Continue respectively along the eastern boundary of farm KEURFONTEIN No.179, the northern, eastern and southern boundaries of farm VERMAAKS KOP No.237, the eastern boundary of FARM No.349, the northern boundaries of farms SPRINGFIELD No.339 and GLENCRAIG No.341, the eastern and northern boundaries of farm MATHEWS PLACE No.342, the eastern, northern, western, southern and eastern boundaries of farm GROENDAL No.343, the western and southern boundaries of farm MATHEWS PLACE No.342, the western and southern boundaries of farm GLENCRAIG No.341 and the eastern boundary of FARM No.349 to its south-eastern beacon. Proceed respectively along the eastern boundaries of farms LOT A No.388 and UPLANDS No.387, the western boundary of farm BOSCHFONTEIN No.390 up to the river, then internally within the corner at its south-western beacon (so as to exclude it) to the river again, on its southern boundary, then proceed along its southern boundary to point approximately 520metres west of the north-western beacon of FARM No.421. Proceed respectively along the SAPS boundary (traversing FARM No.422) to the south-western beacon of FARM No.421, then along its southern boundary and the southern boundary of FARM No.422, the western boundaries of farm VAN STADENS RIVER EAST No.419 and FARM No.463, the eastern boundaries of farms SUNNY VALE No.451, FARM No.622 and FARM No.493 (western section) to the north-western beacon of farm YELLOWWOODS No.642. Then proceed respectively along its northern and eastern boundaries, to its outer-south-eastern beacon. Proceed generally southwards along the river (traversing the eastern section of FARM No.493) river, keeping west of VAN STADENS ROAD, to continue to the river mouth and eventually to the LOW WATER MARK. Then proceed generally westwards along the LWM, until the vicinity of the FARM No.326. Continue along the LWM to a point on the southern boundary of FARM No.326, that is approximately 380metres east of its south-western beacon. Continue (extensively) generally westwards along the LWM to the south-western beacon of FARM No.321. Proceed generally south-westwards along the LWM to the penultimate north-eastern beacon of FARM No.330. Proceed along its eastern boundary and the LWM to

its south-eastern beacon. Continue generally southwards along the LWM to the north-eastern beacon of farm ESTATE KLEIN ZEEKOE RIVER 335 HUMANSDORP No.335. Proceed along its eastern boundary and the LWM and deviate along the LWM on the approach to its south-eastern beacon, to proceed along the LWM to the north-eastern beacon of FARM No.849. Proceed along its eastern boundary and the LWM, respectively along its eastern boundary and that of FARM No.697, to its southern beacon. Continue generally south-westwards along the LWM to the north-eastern beacon of FARM No.400 and proceed along the LWM (generally) respectively along its eastern boundary and that of FARM No.848 and farm BRAK VLEI No.701 to its south-eastern beacon. Proceed generally southwards to the eastern beacon of farm ONGEGUNDE VRYHEID No.746. Continue generally westwards, respectively along its southern boundary / LWM and that of farms BUFFELS BOSCH No.742, FARM No.741, FARM No.744 and FARM No.736 to its south-western beacon. Proceed generally westwards along the LWM to the north-eastern beacon of farm BRAKKE DUINEN No.727. Continue on the LWM, respectively along its eastern boundary, the eastern and southern boundaries of farm BRAKKE DUINEN ANNEKS No.731 and the southern boundaries of FARM No.814, farms KEEROM-WES ANNEKS No.729 and KEEROM ANNEKS No.728, FARM No.726, farms LANGEKLOOF No.725, LANGEKLOOF No.724, STEYNS KRAAL No.719 (eastern section), DRIEFONTEIN No.720 and STEYNS KRAAL No.719 (western section), FARM No.667, farms SAND PUNT ANNEXE No.665 and GEELHOUTEBOOM WEST No.664, FARM No.752, FARM No.754, FARM No.782, FARM No.784, FARM No.783, farms SEA KOPPIES No.648, MIDDEL RIET RIVIER No.650, ANNEX KLIP DRIFT OOST No.647 and KLIP DRIFT OOST No.649, FARM No.776, FARM No.894, farm MIDDEL KLIP DRIFT No.641, FARM No.894, farms BOSCH KLOOF No.644, KLIP DRIFT WEST No.642, MIDDEL KLIP DRIFT No.640, KLIP RIVIER No.645, VAN ROOYEN'S RUST No.791, NIEMAND'S RUS No.792 and EERSTE RIVIER No.626, FARM No.766 and farm OUBOSSTRAND No.759 to the south-eastern beacon of FARM No.582. Then proceed first southwards, then westwards extensively, along the LWM until the vicinity of FARM No.397 is reached. Proceed due north from the LWM, to the south-western beacon of FARM No.397. Proceed along its western boundary and respectively that of FARM No.396 (southern section), FARM No.910 and FARM No.396 (northern section) to the southern beacon of FARM No.299. Proceed respectively along its southern boundary, the southern and western boundaries of FARM No.296, the southern boundaries of farms SOMERSETSGIFT No.286, MISGUND EAST No.287 and MISGUND No.285, the eastern, southern and western boundaries of farm NIEKERSBERG No.281 and the western and northern boundaries of farm MISGUND No.285 to the north-western beacon of farm ADJOINING MISGUND No.217. Proceed respectively along its northern boundary, the western and northern boundaries of farm SEPREE RIVIER No.170, the northern boundary of farm ZWARTJES No.172, the western boundary of FARM No.174 and finally the southern and western boundaries of FARM No.179 to its north-western beacon, which is the *STARTING* point.

	Ndlambe sub-district of Sarah Baartman magisterial district	<p>STARTING from the north-west beacon of farm BROOKLANDS No.210, proceed respectively along its northern boundary, the northern boundary of farm NIEUW JAARS KOP and the western boundary of farm BUFFELS HOEK No.165 to intersect the Secondary Road. Proceed generally eastwards along this road (traversing farm BUFFELS HOEK No.165) to intersect the National Road N10 thereon and proceed generally south-eastwards along the N10 to intersect the southern boundary of farm BUFFELS HOEK No.165 at a point approximately 290metres west of its mid-southern beacon. Proceed eastwards along its southern boundary to intersect the National Road N2 (traversing farm BUFFELS HOEK No.165) at a point approximately 625metres west of its south-eastern beacon. Proceed generally north-eastwards along the N2, respectively traversing farms BUFFELS HOEK No.165 and LANSDOWNE No.168 to intersect its eastern boundary. Then proceed respectively along the western, southern and eastern boundaries of FARM No.421 and the northern boundaries of farms WYCOMBE VALE No.291 and FARM No.290 to the south-western beacon of farm SCHAAP HOEK No.175. Proceed respectively along its western boundary and that of FARM No.408 to the 5th beacon from the north-eastern beacon of FARM No.388. Proceed north-eastwards to join the BOESMANS RIVER and continue generally eastwards along the river, respectively traversing FARM No.408, the western boundary of farm BUSHMANS RIVER No.394, farms WOODBURY No.488 and BUSHMANS RIVER No.394, FARM No.402, farm WOODBURY No.488 (again), FARM No.489, FARM No.402 (again), FARM No.431, farm KOPPIE ALLEEN No.186, FARM No.489 (again), farm KOPPIE ALLEEN No.186 (again), FARM No.489 (again), farms KOPPIE ALLEEN No.186 (again), ALUIN KRANTZ WEST No.196, KRANTZ HOEK No.197, AVOND RUST No.195, KRANTZ HOEK No.197 (again), ALUIN KRANTZ WEST No.196, AVOND RUST No.195 (again), KRANTZ HOEK No.197 (again), DE HOOP No.199, KOMGAS MOUTH No.490, DRIE KOPPEN No.198, ROODEKOP No.491, DE RUST No.492 and ROODEKOP No.491, FARM No.626, farms SANDLEGTE No.207 and EMSLIE No.494, the southern boundary of FARM No.645, farm EMSLIE No.494 (again), farm KIKUJU ESTATES No.646, the northern boundary of farm JANEDALE No.210, the northern and eastern boundaries of farm MELODY No.220 and the eastern boundary of FARM No.222 to the north-western beacon of farm HARVEST VALE No.300. Continue respectively along its northern boundary, the western boundary of farm AQUAVISTA No.299, the western and northern boundaries of farm WAYSIDE No.297, to the south-eastern beacon of farm SPRING GROVE No.295. Proceed generally north-eastwards along the KAGIEGA RIVER, respectively traversing the western boundary of FARM No.461, then across to its eastern boundary and finally the western boundary of farm GLENFILLAN No.293. Proceed respectively along its northern boundary, the western and northern boundaries of farm WESLEY WOOD No.179, the southern boundary of farm ROCKRIDGE No.459, the northern boundaries of farms NORTH BEND No.177, BLAAUWKRANTZ</p>

OUTSPAN No.176, UNIQUE No.40, the western boundaries of farms UNIQUE No.453, LITTLEFIELD No.39 and BLAAUWKRANTSVLAKTE No.38 to its north-western beacon. Continue respectively along its northern boundary and that of farms MOODIEKOP No.37 and WAAI PLAATS No.36, the western boundary of farm PARNASSUS No.29, the southern, western and northern boundaries of farm KAP RIVER No.28 and FARM No.458, the western and northern boundaries of farm COOMBS VALE No.3, the western boundary of farm CLAYPIT FORT No.5, the western and northern boundaries of farm FOREST CLIFF No.6 and the western boundaries of farm BUFFELSFONTEIN No.7 and FARM No.8 to its north-western beacon. Proceed respectively along its northern and eastern boundaries, the eastern boundaries of farms SCHOOL GROUND No.9 and WIDCOMBE No.10, the northern boundaries of farm OLIVE BUSH No.12, FARM No.88, farm OUTSPAN & PONT RESERVE No.92, KAFFIR DRIFT No.94, the eastern boundary of farm OSBORNE No.96, the eastern and southern boundaries of FARM No.468 and the eastern and southern boundaries of farm FORT D'ACRE ANNEX No.237 to its south-western beacon. Continue respectively along the southern boundaries of farm PALMIET ANNEX No.239 and FARM No.251 (eastern section) to its south-western beacon. Proceed along the SAPS boundary to the south-eastern beacon of FARM No.251 (western section) and along its southern boundary to its south-western beacon. Proceed along the SAPS boundary to the south-eastern beacon of farm KLEINEMOND CAMPING SITE No.252 and along its southern boundary to its south-western beacon. Proceed respectively along the eastern and southern boundaries of FARM No.459, the southern boundaries of farms RIET RIVER CAMPING SITE No.385, GREENFOUNTAIN No.386 and THE DUNES No.391 to its south-western beacon. Continue (extensively) generally south-westwards along the LOW WATER MARK to the south-eastern beacon of FARM No.393 and proceed along its southern boundary to its south-western beacon. Continue generally south-westwards along the LOW WATER MARK to the south-eastern beacon of farm KWAAIHOEK No.349 and proceed along its southern boundary to its south-western beacon. Continue generally westwards along the LOW WATER MARK to the south-eastern beacon of farm MIDFOR No.327 and respectively along its southern boundary and that of FARM No.318, farm SEA VIEW No.357, farm SPRINGMOUNT No.356 and FARM No.308 to its south-western beacon. Then proceed along the SAPS boundary, online to the south-eastern beacon of farm SCHELM HOEK No.311, to a point on that line, which is also online to the southern boundary of farm VETMAAK VLAKTE No.312 and approximately 160metres from the south-eastern beacon of farm SCHELM HOEK No.311. Continue along the SAPS boundary to the south-western beacon of farm VETMAAK VLAKTE No.312 and proceed respectively along its southern and eastern boundaries, the southern and western boundaries of farm OLIPHANTS PLAAT No.214 and finally the western boundaries of farms PEASLAND No.212 and BROOKLANDS No.210 to its north-western beacon, which is the *STARTING* point.

Sundays River Valley sub-district of Sarah Baartman magisterial district	<p>STARTING from the north-west beacon of farm DEEP DRIFT No.18, proceed along its northern boundary and respectively that of farms MODDERFONTEIN No.338 and BEDROG FONTEIN No.23, the western and northern boundaries of farm WILGER FONTEIN ANNEX No.25, the northern boundaries of FARM No.624, FARM No.1 and farm ZUURBERG No.3 to its north-eastern beacon. Proceed respectively along the western and northern boundaries of farm MODDERFONTEIN No.320, to a point on its northern boundary that is approximately 957.85metres east of its northern beacon. Then proceed generally southwards along the SAPS boundary, traversing farm MODDERFONTEIN No.320, to the stream thereon and then generally south-eastwards, respectively traversing farm MODDERFONTEIN No.320 and ZUURBERG No.4, to a point on its southern boundary that is approximately 1.49km due west from the western beacon of farm ZUURBERG No.5. Continue respectively along the northern boundaries of farms MELKHOUTBOOM, ZUURBERG No.5 (western section), GELUK No.7, ZUURBERG No.5 (eastern section), FARM No.17 and FARM No.20, the western boundary of FARM No.12, the western and northern boundaries of FARM No.13, the northern boundaries of FARM No.12, FARM No.31, FARM No.32, FARM No.30 and FARM No.308. Proceed respectively along the western and northern boundaries of FARM No.33, the northern boundaries of FARM No.103 and FARM No.39, the northern and eastern boundaries of FARM No.37 and FARM No.40, and the eastern boundaries of FARM No.41 and FARM No.42 to its south-eastern beacon. Then proceed generally south-eastwards along the BOESMANS RIVER, respectively traversing FARM No.634 and FARM No.625, to the north-western beacon of farm RETREAT No.284 (eastern section). Continue along its northern boundary and respectively the northern and eastern boundaries of farm SOLOMONS TEMPLE No.486, to its south-eastern beacon. Then proceed generally southwards along the BOESMANS RIVER, respectively traversing farm STILGENOEGEN No.483, WOODBURY No.488, then the eastern boundary of FARM No.251, the northern boundaries of FARM No.381 and FARM No.180, farm SUNNYSIDE No.250, the northern boundary of FARM No.388, continuing along the BOESMANS RIVER to its north-eastern beacon and then traversing the north-western sector of FARM No.408 to the 5th eastern boundary beacon from the north-eastern beacon of FARM No.388. Continue respectively along the eastern boundary of FARM No.388, the eastern and southern boundaries of FARM No.387, the southern boundaries of FARM No.180, farm WELTEVREDEN No.181, the southern and western boundaries of FARM No.174, the southern boundaries of FARM No.251 and farm REED VALLEY No.363 to its south-western beacon. Proceed respectively along the eastern, southern and western boundaries of FARM No.421, to intersect the National Road N2. Then proceed generally southwards along the N2, respectively traversing farms LANSLOWNE No.168 and BUFFELS HOEK No.165, to intersect its southern boundary at a point approximately 625metres west of its south-eastern beacon. Proceed west along its southern boundary, to intersect National Road N10 at a point that is approximately 290.00metres west of its mid-southern beacon. Then proceed generally north-westwards</p>
--	---

along the N10, traversing farm BUFFELS HOEK No.165 to intersect the River thereon and proceed generally westwards along the River to intersect the western boundary of farm BUFFELS HOEK No.165. Continue respectively along its western boundary, the southern boundaries of farms CYPHERFONTEIN No.160 and VERTROU No.209, the eastern boundaries of farms FASCADALE No.213 and INGLESIDE No.215, continuing southwards along the Colchester Secondary Road to the north-eastern beacon of farm SCHELM HOEK No.311. Proceed respectively along its northern boundary, the northern boundaries of FARM No.308 and FARM No.643, to its north-western beacon. Continue generally north-westwards, respectively along the north-eastern boundary of farm LOGANBRAES No.203 and the SONDAGS RIVER, traversing farm No.718, to its south-western beacon. Proceed along the southern boundary of farm HARVEYTON No.197 to the north-western beacon of farm LOGAN BRAES No.203 and continue southwards to intersect the northern edge of the Railway Reserve to proceed generally north-westwards thereon. Then proceed respectively along the north-western boundary of farm HARVEYTON No.197, the western boundaries of farm KLEIN VETMAAK VLAKTE No.193, FARM No.676 and FARM No.644, to the south-eastern beacon of farm THE PENHURST RAILWAY RESERVE No.133. Continue respectively along its southern boundary and that of FARM No.636, the eastern boundary of farm T ZOETGENEUGD No.192 and its southward linear extension, joining eastwards at its terminal to the northern boundary of farm BARKLY BRIDGE SCHOOL LOT No.194 (western section), the northern, eastern and southern boundaries of farm BARKLY BRIDGE SCHOOL LOT No.194 (western section), the northern boundary of FARM No.627 and the southern boundary of farm T ZOETGENEUGD No.192, to the north-western beacon of FARM No.627. Then proceed along the SAPS boundary, traversing FARM No.717, online to a point on the eastern boundary of farm COEGA KAMMAS KLOOF No.191, which is approximately 200metres from its north-eastern beacon and continue along the SAPS boundary, traversing FARM No.717, online to its north-western beacon. Proceed along the SAPS boundary to the south-eastern beacon of FARM No.653 and continue respectively along its southern boundary and the eastern and southern boundaries of farm BLAUW BAATJIES No.189 to its internal southern-western beacon. Then proceed along the SAPS boundary directly to its outer-south-western beacon. Continue respectively along its western boundary and the southern boundaries of farm WELBEDACHT No.135, FARM No.136 and farm BRAKHILL No.139 to its south-western beacon. Proceed respectively along its western boundary, the southern boundaries of farms SCHILPAD LAAGTE No.141, FOREST GROVE No.143, FARM No.692 and FARMDEEP DRIFT No. No.174 to its south-western beacon. Proceed respectively along the eastern, southern and western boundaries of farm NOOITGEDAGT No.173, the western boundaries of farms SCHUILPATDOP No.148, ROODE WAL OUTSPAN No.79, FARM No.82 and FARM No.581 to its north-western beacon. Continue respectively along the southern boundaries of FARM No.50, FARM No.51 and FARM No.693 to a point on its southern boundary that is approximately 1.33km east of its south-western beacon. Then proceed

		<p>generally northwards along the SAPS boundary (traversing FARM No.693 and online to its north-western beacon) respectively along the eastern boundary of farm RIETFONTEIN No.52, the western boundary of farm No.694 and finally the western boundary of farm DEEP DRIFT No.18 to its north-western beacon, which is the STARTING point.</p>
