The South African Human Rights Commission, the Departments of Basic Education as well as Justice and Constitutional Development, will host the preliminary oral rounds of the 13th Annual South African National Schools Moot Court Programme at the University of Pretoria on 26 and 27 September 2024. The grand finale will take place at the Constitution Hill Precinct in Braamfontein on the 29th September 2024.

The Programme was created to amongst others, empower and encourage young learners especially those in Grades 10 and 11 from all provinces, with an opportunity to understand and relate to human rights concepts, values and principles.

During the Programme, learners are presented with opportunity to develop their skills in public speaking, research, writing, structuring a legal argument and analysing cases.
